PIXEL PERFECTION

Last year, I detailed my favorite Video Gaming memory of playing *River City Ransom* all night with my buddy Chris Cade* literally 'til the sun came up the next day. The graphics for this NES game were basic 8-bit pixels… not much detail, and kind of clunky when compared to today's level of "next gen" console games. But for what it lacked in graphical polish, it more than made up for it with its gameplay. It was just damn fun.

Over the years, I've worked my way through various video game systems, from the Atari 2600 and Intellivision to the NES, Super NES, N64, Game Cube, Playstation, Xbox, Xbox 360 and my new baby, the Xbox One. When I finally broke down and switched up to the next gen console, I bought two games: *Fallout 4* and *HALO 5*. To say that it took me a month to even get to *HALO 5* would be an understatement, as I was totally immersed in the post-apocalyptic world of the "Commonwealth" (Boston) for weeks… *and weeks*… before I even got my first start screen with the Master Chief. *Fallout 4* is a helluva game. And I'm diggin' *Mad Max*, too!

Our **Video Game Month** celebration is for everyone who has their own favorite game they've poured hours of their lives into… taking out enemies, rescuing princesses, or carjackin' a set of sweet wheels off a city street. These video games take us to places we could never see in real life; sometimes places no sane person would ever dare tread. But it's the stories that capture our imaginations… that and the big guns and robots. The comic books and graphic novels based on these video games continue the adventures we began on our TV screens, and fleshes out the details that set the stage for the game or what came after the end screen.

So, get your game on with ***PREVIEWS*** this month, and be back here in 30 or so for another issue filled with the coolest stuff on this — or any — world!

GEEK GLOSSARY

Brian Blessed (proper name). British actor renowned for his bombastic, bellowing, over-the-top acting style. Known for his roles as King Richard IV in *The Black Adder* and Boss Nass in *Star Wars Episode I: The Phantom Menace*. (Page 536)

hwaet (int). The first word of the Anglo-Saxon epic poem *Beowulf*, variously translated as "What," "Listen" or "So." Rhymes with "cat." (Page 271)

Roaring Twenties (n). The 1920s. "It was an age of miracles, it was an age of art, it was an age of excess, and it was an age of satire." — F. Scott Fitzgerald, "Echoes of the Jazz Age" (Page 605)

NIGHTWING™

Release: SEPTEMBER 2016

SRP $129.99

STL013304

Armed with his acrobatic abilities, NIGHTWING fights against formidable villains. Our designers paid meticulous attention to the fine details of his armored suit to render his nimble yet strong physique. The paintwork places heavy emphasis on the texture of each material, from the complexities of the various fabrics to the life-like skin tone. NIGHTWING comes equipped with his gadgets, including his Escrima Sticks, which can be stowed away on his back using an adapter piece. This figure also has a very wide range of mobility in order to recreate NIGHTWING's flashier action poses. The metallic, almost iridescent accent colors in his chest and shoulders shimmer brightly, as if to show off his distinctive identity.

Figure includes display stand.

STATIC ARTS BUST
LIGHTNING
Release: OCTOBER 2016
SRP $59.99 STL013309

From the FINAL FANTASY XIII saga, protagonist Lightning's intense personality has been captured in this gorgeously sculpted bust statuette.

Our sculptors have recreated a dynamic moment of action as Lightning prepares to swing her sword down. Though she is frozen, one can almost feel the momentum behind her movement through the wind in her hair, jacket and cape. With her eyes focused intently on her target, her expression exudes the bravery and confidence characteristic of Lightning.

From the texture of her garment and accessories to the smoothness of her skin, the paintwork is reminiscent of the luminous art style of FINAL FANTASY XIII. Modeled after a crystal, an iconic element within the universe of the game, the base of the statue completes this small masterpiece.

Specs: PVC Statuette
Package: Window Box

Please tell us a bit about yourself!

I'm Scottish, like all the best comic writers are! I grew up reading *2000AD*, and am now one of its main writers, having written *Judge Dredd* for a couple of years before moving over to my own created characters. I'm also a BAFTA and Writers Guild Award-nominated games writer, and tend to wander back and forth between the two mediums, which I guess makes me a good fit for a project like the *Dishonored* mini-series!

What are your favorite projects you've contributed to over the past decade?

The award-winning *Robbie Burns: Witch Hunter* graphic novel, any of the *Department of Monsterology* mini-series, and the *2000AD* serials *Absalom* and *Jaegir*.

SCHAMM
SPLUKCH

What are you currently working on?

Doctor Who for Titan, as well as *Dishonored* and one or two other things. The sequel to *Robbie Burns: Witch Hunter*, the third and — for now anyway — last series of *Department of Monsterology*. Plus a movie screenplay and several computer game projects...

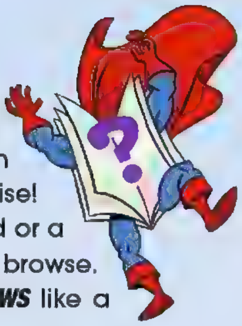
Learn How to Use *PREVIEWS* to Order From Your Comic Shop!

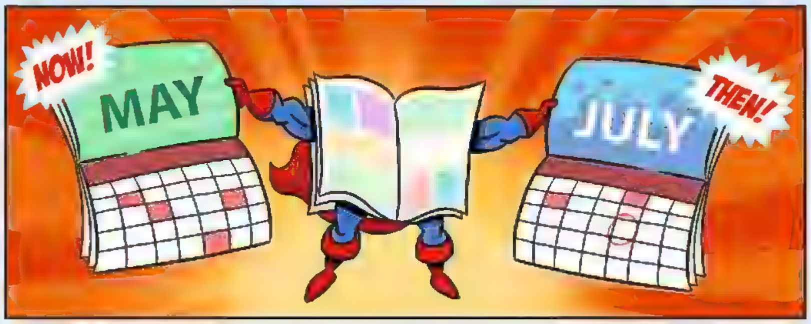
USER'S GUIDE



There's *a lot* of awesome comics and products to look through in ***PREVIEWS***. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use ***PREVIEWS*** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS *PREVIEWS*?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log*!) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—***PREVIEWS*** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.



NOW!
MAY
JULY
THEN!

The most important aspect of ***PREVIEWS*** to remember is that **items solicited in the catalog are anticipated to ship 2-3 months later** (or more). For example, if you found a comic you wanted in the May issue of ***PREVIEWS***, you can expect to see it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM *PREVIEWS*?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of ***PREVIEWS*** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

Where The Magic Of Collectibles Comes Alive!

OVERSTREET "HALL OF FAME" CBPG #46

The first "Overstreet Hall of Fame" edition of *The Overstreet Comic Book Price Guide* #46 pays tribute to the legendary artist Russ Heath. The master artist turns his attention to Sgt. Rock and the spirit of DC's great war comics with this special cover.

The Overstreet
COMIC BOOK
PRICE GUIDE
46th

This edition features the same contents as the standard editions, including the new prices, feature articles, additions to the Overstreet Hall of Fame, and market reports. In stores on July 20, 2016 it retails for $35 (hardcover) and $29.95 (softcover). This one is limited to 1,000 hardcover copies and 1,000 softcover version.

PEDIGREE APRIL GRAND AUCTION RESULTS

Pedigree Comics, Inc. recently closed their April Grand Auction, boasting impressive results in Silver and Bronze Age comics. The total sales netted $562,956 on 410 CGC and CBCS graded comics.

Highlights included *Batman* #251 graded 9.8 for $4,600; *Fantastic Four* #45 graded 9.8 for $36,000; *Giant-Size X-Men* #1 graded 9.8 for $6,500; *Incredible Hulk* #181 graded 9.6 for $5,700; *Showcase* #4 graded 2.0 for $7,600; *Silver Surfer* #4 graded 9.8 for $7,750; *Star Wars* #1 (35 cent price variant) graded 9.8 for $10,350; *Strange Tales* #110 graded 9.6 for $60,000; and *X-Men* #1 graded 9.0 for $34,500.

BECOMING EL DIABLO

El Diablo was created by Robert Kanigher and Gray Morrow, he debuted in 1970's *All-Star Western* #2. The original El Diablo, Lazarus Lane, was a 19th century bank teller, who was almost killed by thieves and ended up in a coma. He was revived by Wise Owl, a Native American shaman, and became the vigilante El Diablo.

The current El Diablo is Chato Santana, an ex-criminal who meets the still comatose Lane when he's in the hospital. In the New 52 he's a member of the Suicide Squad. Santana will star in the *Suicide Squad* movie with other DC villains, played by Jay Hernandez.

What's Cool in this Month's Coming!

June 2016 | Edited By: **Allyn Gibson** | editor@PREVIEWSworld.com

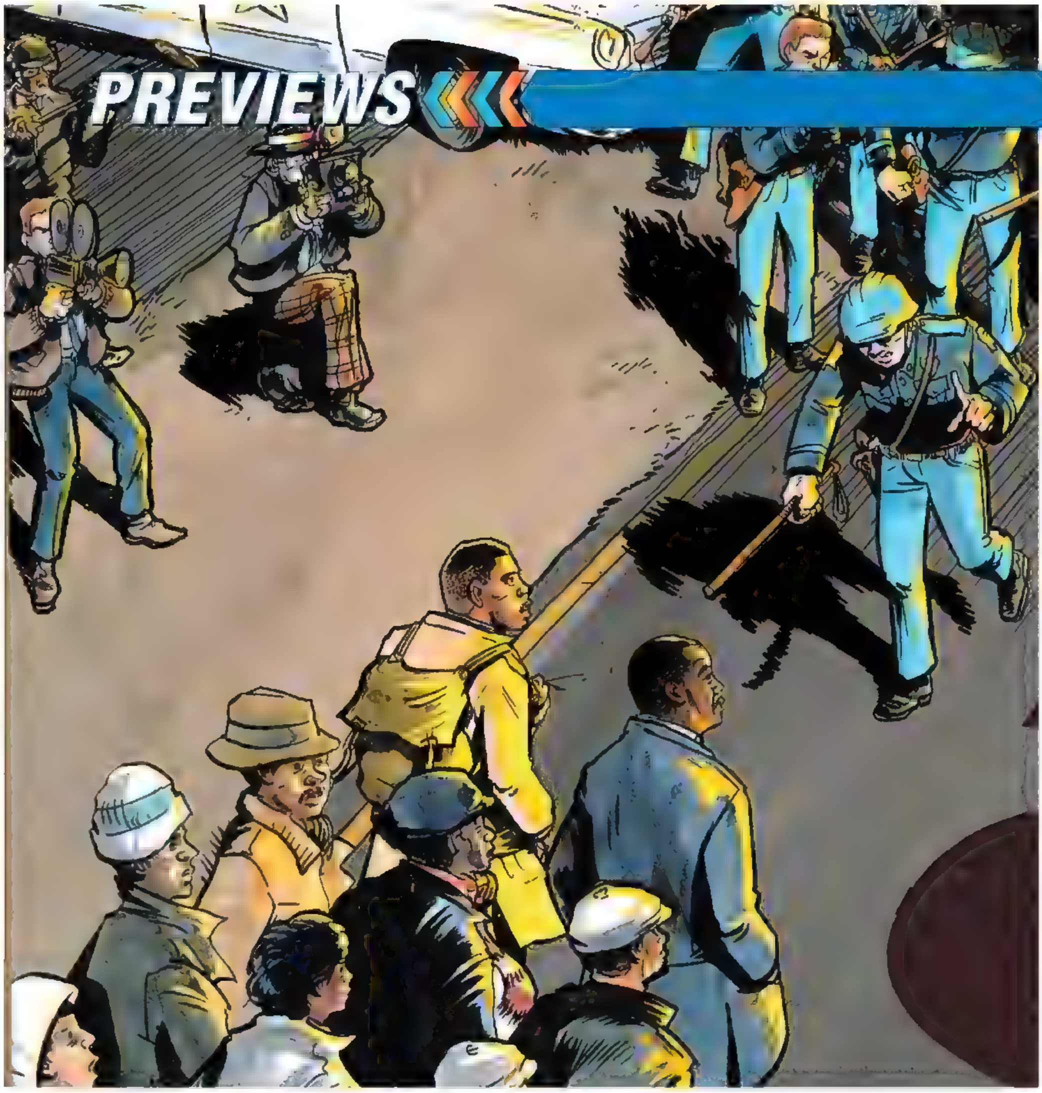
THE CONFLICT TURNS COSMIC IN AUGUST'S *CIVIL WAR II #5*

The battle to control the future through the powers of the inhuman Ulysses has torn apart the Marvel Universe, pitting friend against friend, hero against hero. But a secret lies at the heart of Ulysses' powers, and its revelation marks a turning point that will lead Marvel's warring heroes to the greatest battle ever in August's *Civil War II* #5 from Brian Michael Bendis and David Marquez!

Ulysses' far-seeing powers, which can accurately foresee the future, have become a point of contention between Earth's heroes, with some, led by Captain Marvel, who wish to use Ulysses' power to prevent crime and tragedies before they happen while others, led by Iron Man, believe that the future must unfold unfettered. The battle to control Ulysses has seen lines crossed, friendships and alliances sundered, and casualties left in its wake. Now that the truth behind Ulysses' power is revealed, the lines of conflict harden, the battle to control the future enters a new phase, and the implications of Ulysses' power will stretch beyond Earth, giving the conflict a cosmic scale!

Brian Michael Bendis and David Marquez continue their groundbreaking work on Marvel Comics' acclaimed and best-selling event, Civil War II, setting the stage for the shattering and shocking finale that will determine the future of the Marvel Universe and leave it changed forever. Civil War II #5 marks the turning point in the story — taking it galactic with a shocking reveal of a secret — that no Marvel fan will want to miss!

With the fate of more than Earth at stake, the battle for the future of the Marvel Universe continues in August's Civil War II #5, and no Marvel Comics fan can afford to be on the sidelines this summer!



THE CIVIL RIGHTS MOVEMENT REACHES A PIVOTAL MOMENT IN *MARCH BOOK THREE*

John Lewis, the Democratic Congressman from Georgia, has been at the forefront of the Civil Rights Movement since his days as a leader of the Student Nonviolent Coordinating Committee in the early 1960s, and in his graphic novel trilogy *March* he has powerfully recreated the turbulent struggle to secure equal rights for African Americans in the South and nationwide. The *March* trilogy concludes this summer in *March Book Three*, taking the story of the Civil Rights Movement from the summer and autumn of 1963, including the famous March on Washington, through the Mississippi Freedom Summer and the important March on Selma that culminated in "Bloody Sunday" when Alabama state troopers brutally attacked the peaceful marchers crossing the Edmund Pettus Bridge. The graphic images of the violence would shock the nation and give renewed strength to the Civil Rights movement, and Lewis, along with cowriter Andrew Aydin and artist Nate Powell, capture this powerful moment in *March Book Three*. The work of the Civil Rights Movement is still incomplete, a half-century since Bloody Sunday, and with *March* Lewis reflects on how the actions of a few became a movement that continues to work tirelessly to fulfill the promise of America, where all are created equal.

THE BLACK MONDAY MURDERS REVEALS THE CONNECTIONS THAT UNDERGIRD THE WORLD

Everyone has a price. Jonathan Hickman (*East of West*, *The Manhattan Projects*) delves into the financial transactions that make the world work, the price that those who control the world's financial resources will pay to see that their power is uninterrupted, and the source of that power in his new series with Tomm Coker from Image Comics, *The Black Monday Murders*. In Hickman's hands, the global financial system is more than just a mechanism to facilitate world trade and consolidate power. It's also a source of magic, driven by occult rituals that wield influence over politicians, business leaders, corner store owners, even the little girl and her lemonade stand in the suburbs. The secrets at the center of the global financial web are so dangerous that there are cadres of assassins who will do whatever it takes to protect those secrets and ensure that the levers of power continue to be worked uninterrupted. *The Black Monday Murders* is a book certain to make you think about the way the world works, and it could only come from the mind of Jonathan Hickman!

IT'S A FINE LINE BETWEEN FREEDOM AND REBELLION IN DARK HORSE'S *BRIGGS LAND*

The winter standoff at Oregon's Malheur Wildlife Refuge between the Bureau of Land Management and a group of armed anti-government seditionists brought to national attention the story of ranchers, loggers, and farmers who reject federal authority and ownership over vast swathes of wild lands in the American west. These ranchers believe that the United States government has overstepped its authority and the lands belong to the people, not to unelected bureaucrats three thousand miles away in Washington, and they resent efforts to enforce federal laws on these lands. Some even believe that they should break away from the United States entirely, seceding and forming their own country. Brian Wood (*The Massive*, *Rebels*, *Star Wars*) taps into the resentment of these anti-government seditionists in his new Dark Horse Comics series, *Briggs Land*. On a 100-square mile tract of land, a group of secessionists go about their lives, but a power struggle for leadership between Grace Briggs and her imprisoned husband imperils not only the stability of their isolated community but also threatens to alert the federal government to their activities. Ripped from the headlines, Brian Wood and Mack Chater's *Briggs Land* will take readers into the shadowy world of right-wing anti-government extremists.

"SO WHAT IS THE SITUATION HERE?"
CALEB BRIGGS, AGE THIRTY-FOUR, KEEPS AN UNOFFICIAL OFFICE INSIDE HILLSON HOME VALUE AND LAUNDERS MONEY FOR THE FAMILY BUSINESS.
CALEB'S A REAL PIECE OF WORK. LOOKS LIKE AN ACCOUNTANT, BUT HE'S PURE WHITE SUPREMACIST. A BROTHERHOOD OF THE WHITES TYPE. THE SORT OF GUY WITH A KOMMANDANT UNIFORM HANGING IN HIS CLOSET.
HILLSON HOME VALUE
WEAPONS AND MONEY LAUNDERING? IT'S A CLEAR-CUT CONSPIRACY CHARGE. RICO PREDICATES.
THE AGENCY DOESN'T CARE ABOUT THAT. THEY WANT BIG, SEXY DOMESTIC-TERRORISM CHARGES, NOT HILLBILLY FRAUD.
THE MAIN TARGET IS THE HEAD OF FAMILY.
"NOTHING'S CHANGING, CALEB."
EVERYTHING'S CHANGING.
I'M THE ELDEST SON. THE FIRSTBORN. THAT SORT OF THING MATTERS TO OUR PEOPLE.
LISTEN, YOU NEED TO SAVE FACE. I UNDERSTAND. BUT I WANT THIS FAMILY UNITED AND STRONG. THEY WILL COME FOR THE LAND. YOU KNOW THAT.

Best known for his collaborations with Neil Gaiman, Dave McKean defied expectations with his stunning debut as writer *and* artist in *Cages*, winner of multiple awards for Best Graphic Album. Dark Horse proudly presents a new original graphic novel by the legendary artist based on the life of Paul Nash, a surrealist painter during World War I. *The Dreams of Paul Nash* deals with real soldiers' memoirs, and all the stories add up to a moving piece about how war and extreme situations change us and how we deal with the resultant pain—in Nash's case, by turning his landscapes into powerful and fantastical "psychoscapes."

Sergio Aragonés (W/A/Cover), Mark Evanier (W), and Tom Luth (C)

On sale Aug 17	FC, 32 pages
$3.99	Ongoing

See it happen in this issue: The rise and fall of the Star God, a pretender to the heavens and a deity who won't last as long as this series by the award-winning duo of Sergio Aragonés and Mark Evanier. You'd think a god could live forever . . . and maybe one could if his godlike path hadn't been crossed by the wandering disaster that is Groo. With lettering by Stan Sakai, coloring by Tom Luth, and another actual, real letter column by Evanier. Miss it not.

> ***"I'd sing this book's praises endlessly, were it not for my fear of attracting the title character's attention. One of the most enjoyable series created—ever. Highest possible recommendation."***

"My Own Worst Enemy" part one! Superstar writer Scott Snyder explodes into an all-new Batman series alongside legendary artist John Romita Jr., reimagining some of the Dark Knight's greatest villains. First up: Two-Face! Batman must take Two-Face to a destination out of Gotham City, but the duplicitous villain has a two of spades up his sleeve. Every assassin, bounty hunter and ordinary citizen with something to hide is on their tails with one goal: kill Batman! Handcuffed together on the road to hell, this is Batman and Two-Face as you've never seen them before!

Written by JAI NITZ and MICHAEL MORECI • Art by CLIFF RICHARDS and OSCAR BAZALDUA • Covers by MIKE HUDDLESTON

Retailers: This issue will ship with two covers. Please see the order form for details.

From the pages of SUICIDE SQUAD comes an all-new series featuring two of the team's most infamous heroes, El Diablo and Boomerang! First, a sudden pardon frees the fiery El Diablo from Belle Reve prison, much to the shock (and irritation) of team leader Amanda Waller. Chato returns to his old neighborhood to reunite with his family, but when he's attacked by a heavily armed local gang and their leader, the deadly, super-powered Bloodletter, will his freedom and his life get cut dramatically short?

Meanwhile, in the first chapter of two-part tale written by Michael Moreci (from DC's Writers Workshop program) with art by Oscar Bazaldua, Boomerang and the Squad embark on a mission to take down a ruthless dictator within a small, unstable Central American nation, but when the mission goes awry, the Squad must jump in a helicopter and flee as all hell breaks loose. But amid the chaos, the team realizes one of them was accidentally left behind: Boomerang! How can he stay alive long enough to be rescued when a whole army wants him dead?

The best selling graphic novel of all time is back in a new, 12-volume box set collector's edition at DC's Deluxe Edition trim size, just in time for the series' 30th anniversary! It all begins with the paranoid delusions of a half-insane hero called Rorschach. But is Rorschach really insane—or has he in fact uncovered a plot to murder super-heroes and, even worse, millions of innocent civilians? On the run from the law, Rorschach reunites with his former teammates in a desperate attempt to save the world and their lives, but what they uncover will shock them to their very core and change the face of the planet!

Written by MEREDITH FINCH
Art by DAVID FINCH, JONATHAN GLAPION, IAN CHURCHILL and others
Cover by DAVID FINCH and JONATHAN GLAPION

A daring new direction begins with the arrival of a brand new villain in these stories from WONDER WOMAN #41-47! But while he may be new to us, he's not new to the world he seeks to tame. And speaking of villains, Donna Troy's quest to destroy Wonder Woman ratchets up another gear (if that's even possible!), while Wonder Woman is learning how to replace Ares as God of War. Plus, Donna Troy's fate becomes clear as she embarks on a journey that will either end her life or begin a new one, while Wonder Woman draws closer to the Amazon who tried to depose Diana as queen!

JIM THOMPSON'S THE KILLER INSIDE ME #1 (OF 5)

writer **Devin Faraci** • artist **Vic Malhotra**

cover **Vic Malhotra** (REG)
Robert Hack (SUB)

Jim Thompson's sinewy, brutal, and beloved novel comes to life as a five-part graphic noir. Adapted by writer **Devin Faraci** (*Birth. Movies. Death.*) and illustrated with gut-punchingly vivid art by **Vic Malhotra** (*Murder Book*).

In THE KILLER INSIDE ME, Thompson went where few have dared, giving us a pitch-black glimpse into the mind of the American serial killer years before Charles Manson, John Wayne Gacy, and Brett Easton Ellis's *American Psycho*, in the novel that will forever be known as the master performance of one of the greatest crime novelists of all time.

Lou Ford is the deputy sheriff of a small town in Texas. The worst thing most people can say against him is that he's a little slow and a little boring. But, then, most people don't know about the sickness—the sickness that almost got Lou put away when he was younger. The sickness that is about to surface again.

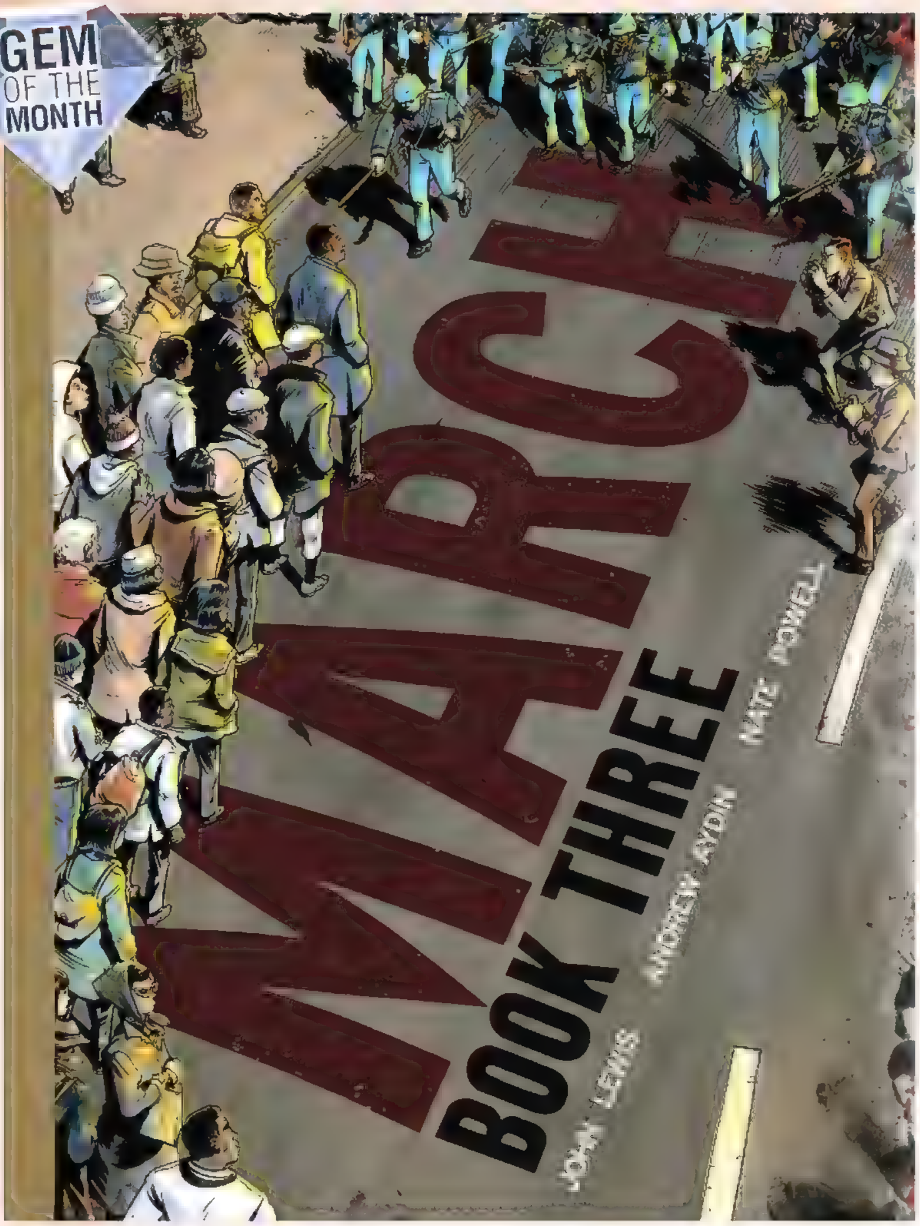
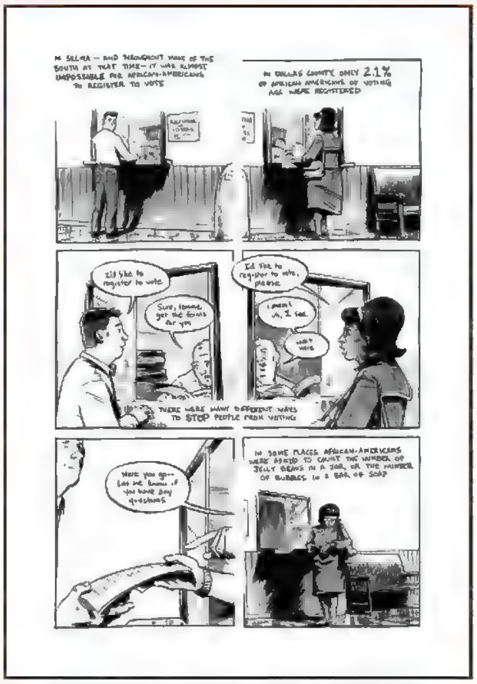
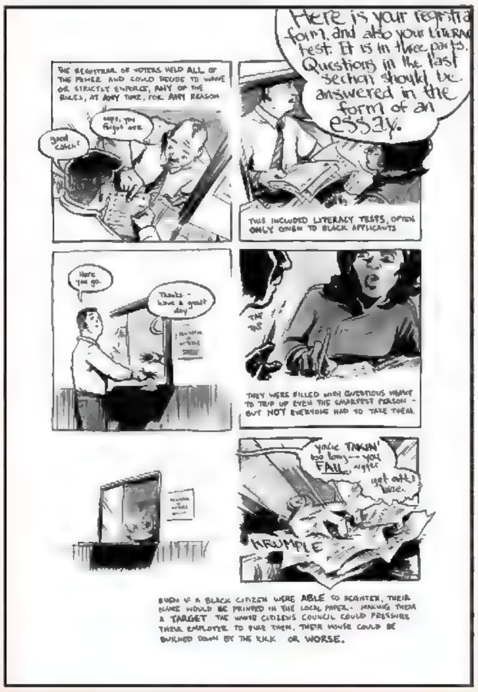
GEM OF THE MONTH



MARCH
BOOK THREE
JOHN LEWIS
ANDREW AYDIN
NATE POWELL



IN SELMA — AND THROUGHOUT MUCH OF THE SOUTH AT THAT TIME — IT WAS ALMOST IMPOSSIBLE FOR AFRICAN-AMERICANS TO REGISTER TO VOTE
IN DALLAS COUNTY, ONLY 2.1% OF AFRICAN AMERICANS OF VOTING AGE WERE REGISTERED
I'd like to register to vote.
Sure, lemme get the forms for you
I'd like to register to vote, please.
THERE WERE MANY DIFFERENT WAYS TO STOP PEOPLE FROM VOTING
Here you go-- Let me know if you have any questions
IN SOME PLACES AFRICAN-AMERICANS WERE ASKED TO COUNT THE NUMBER OF JELLY BEANS IN A JAR, OR THE NUMBER OF BUBBLES IN A BAR OF SOAP



Here is your registra form, and also your literac test. It is in three parts. Questions in the last section should be answered in the form of an essay.
THE REGISTRAR OF VOTERS HELD ALL OF THE POWER AND COULD DECIDE TO WAIVE OR STRICTLY ENFORCE, ANY OF THE RULES, AT ANY TIME, FOR ANY REASON
oops, you forgot one
good catch!
THIS INCLUDED LITERACY TESTS, OFTEN ONLY GIVEN TO BLACK APPLICANTS
Here you go.
Thanks - have a great day
THEY WERE FILLED WITH QUESTIONS MEANT TO TRIP UP EVEN THE SMARTEST PERSON - BUT NOT EVERYONE HAD TO TAKE THEM.
you're TAKIN' too long-- you FAIL, nigger
get outta here.
KRUMPLE
EVEN IF A BLACK CITIZEN WERE ABLE TO REGISTER, THEIR NAME WOULD BE PRINTED IN THE LOCAL PAPER - MAKING THEM A TARGET. THE WHITE CITIZENS COUNCIL COULD PRESSURE THEIR EMPLOYER TO FIRE THEM, THEIR HOUSE COULD BE BURNED DOWN BY THE KKK OR WORSE.

MARCH BOOK 3

writer **Congressman John Lewis & Andrew Aydin** • artist/cover **Nate Powell**

Top Shelf is honored to present the stunning conclusion to the award-winning and best-selling *MARCH* trilogy.

By Fall 1963, the Civil Rights Movement is an undeniable keystone of the national conversation, and as chair of the Student Nonviolent Coordinating Committee, **John Lewis** is right in the thick of it. With the stakes continuing to rise, white supremacists intensify their opposition through government obstruction and civilian terrorist attacks, a supportive president is assassinated, and African-Americans across the South are still blatantly prohibited from voting.

To carry out their nonviolent revolution, Lewis and an army of young activists launch a series of innovative projects, including the Freedom Vote, Mississippi Freedom Summer, and a pitched battle for the soul of the Democratic Party waged live on national television. But strategic disputes are deepening within the movement, even as 25-year-old **John Lewis** heads to Alabama to risk everything in a historic showdown that will shock the world.

CHRIS SAMNEE'S DAREDEVIL: ARTIST'S EDITION HC

writer **Mark Waid** • artist/cover **Chris Samnee**

IDW Publishing launched the very first Artist's Edition in 2010. It was a bold concept that to date has garnered five consecutive Eisner Awards in the category of Best Archival Project. With the release of *Chris Samnee's Daredevil Artist's Edition* we continue to stay ahead of the pack by featuring **not one, not two, but THREE** versions of Samnee's gorgeous original art—we like to think of it as an Artist's Edition triple play! This amazing collection will be presented in **TWO** books. The first, a hardcover featuring **Daredevil** Issues 23 - 27. Since these books were lettered digitally, you will see more of the Samnee's original art than ever before! Additionally, all of Chris' beautiful layouts will be printed here, again, scanned from the original art. The second book will be a horizontal softcover, printing all **Mark Waid**'s scripts—but that's not all—Samnee's artistic technique involves drawing thumbnail breakdowns **ON** the script pages themselves. Which means there are **THREE** versions of art presented, plus the actual script enabling you to read along with the story! Additionally, these two books will come in a handsome slipcase. You've heard the term "Artist's Artist?" This will be an **"Artist's Artist's Edition!"**

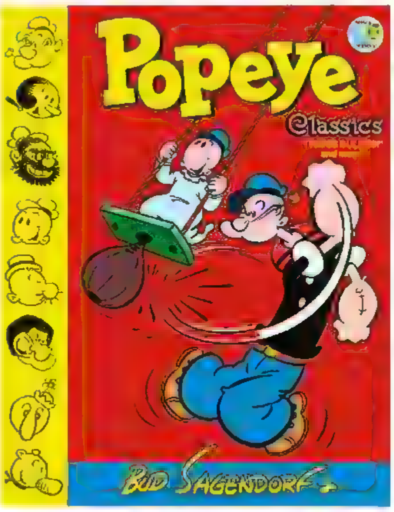
writer/artist/cover
Bud Sagendorf



Another splendiferous volume of *Popeye Classics* (collect them all!). Cartoon Research yelps, "It's rare that the comic book version of a popular comic strip is as good or better than the original. This is one of those rare exceptions. Sagendorf is immersed in Segar's world. His storytelling abilities are superb and his cartooning is a joy to behold. Sagendorf owned this universe as much as Segar–other artists have been able substitutes, but Sagendorf knew these eccentric personalities inside and out!"

Troy Little's gonzo adaptation of **Hunter Thompson**'s *Fear & Loathing in Las Vegas* is now available in an all-new format.

Publisher's Weekly says, "Sheer expressiveness... captur[es] the sense of immediacy and paranoia that saturated the original's long, bad trip… it's a vivid insight into one of the most fascinatingly creative and unwaveringly troubled writers of his generation."

This comic book version is presented in black-and-white and at a slightly larger size than the full-color hardcover edition. Each issue also includes pages from Little's sketchbook and other behind-the-scenes information.

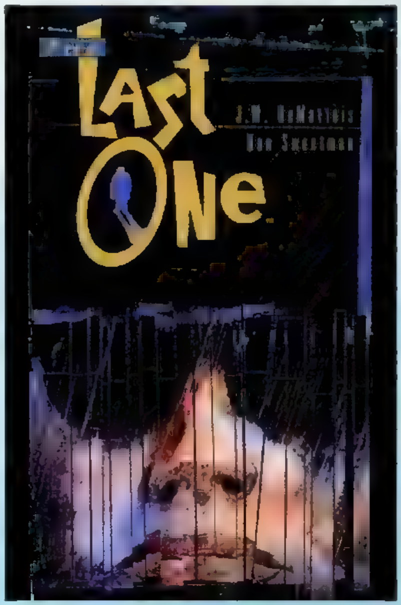
THE LAST ONE

writer **J. M. DeMatteis**

artist/cover
Dan Sweetman



What if you couldn't die? The sole survivor of an ancient race of immortals, the being called Myrwann has nothing but time. Throughout history, as nations rose and fell, as humans waged war, waged peace, wrote poetry and touched the stars, Myrwann lived outside them and beside them, sometimes as woman, sometimes as man. Now, old beyond imagining, tired beyond words, The Last One nurtures the failed and broken souls of New York City's East Village—even as his own heart cries out for the release of death.

TIM TYLER'S LUCK
LYMAN YOUNG & ALEX RAYMOND

writer **Lyman Young** • artist/cover **Alex Raymond**

These never-before-collected strips represent an essential transition point that would forever change the direction of adventure comics. **Lyman Young**'s *Tim Tyler's Luck* was a successful series set in exotic locales before **Alex Raymond** signed on as Young's assistant. It's in these 1932-1933 strips, as Raymond assumed greater and greater responsibility for the drawing, that he developed the prototypes for Flash Gordon, Dale Arden, and Jungle Jim, and the style for which he became famous a year later.

CORTO MALTESE: THE ETHIOPIAN

writer/artist/cover **Hugo Pratt**

When Corto Maltese arrives in the Middle East and Africa in 1918, the shifting sands and loyalties reveal colonial powers still battling for domination over each other and the indigenous people. The desert of Yemen, controlled by the fading Ottoman Empire, is the setting for "In the Name of Allah, the Merciful and Compassionate," where Corto meets Cush, the Danikil warrior with whom he establishes a close yet conflicted relationship. In "The Coup de Grace" the stubborn racism of an English commander of a small fort in British Somaliland leads to conflict with Cush and the Dervish army of Sayyid Mohamed, whom the British call "The Mad Mullah." The action moves to Ethiopia amidst inter-tribal conflict in "...and of Other Romeos and Other Juliets," as Cush introduces Corto to the mysterious and powerful shaman Shamael, who hears the voices of the dead and of devils. German East Africa is the background of "The Leopard-Men of the Rufiji," where Corto is engulfed in a dreamlike atmosphere that reveals how African justice operates outside the constraints of "white" law.

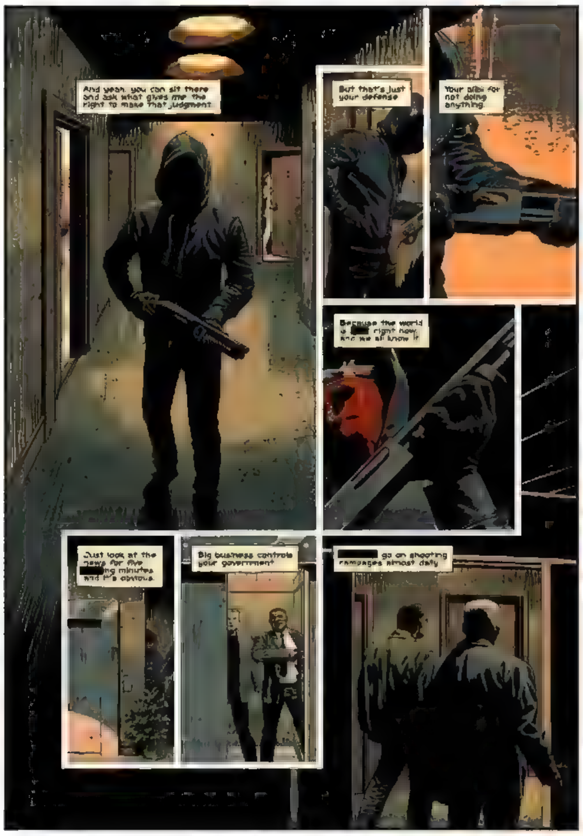
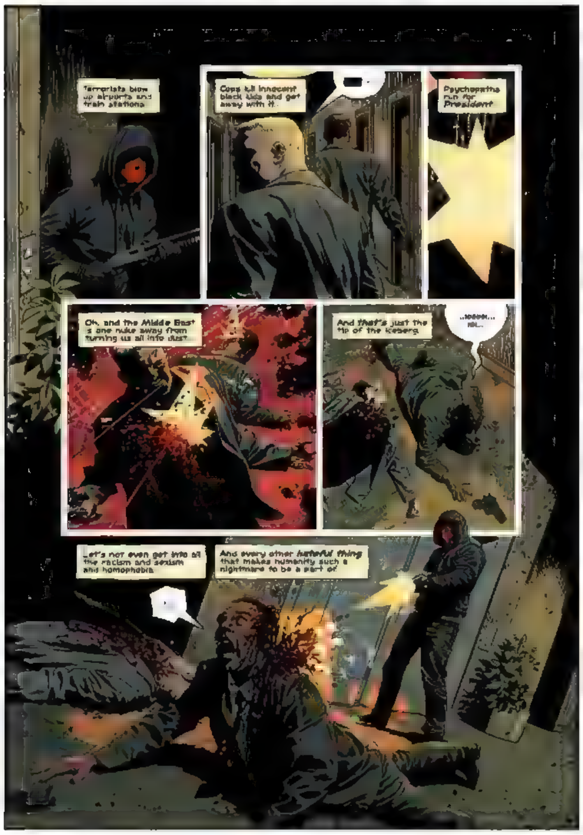
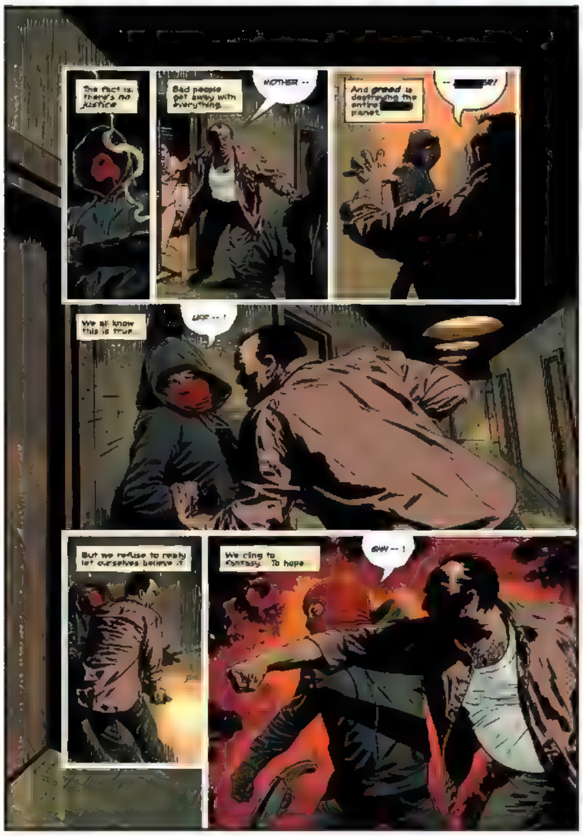
This isn't how I imagined my life would be. Ever.
But you don't always have a choice, do you?
And let's face it. I've become pretty good at this.
WHO THE FU--
Killing people.
People who deserve it.



And yeah, you can sit there and ask what gives me the right to make that judgment.
But that's just your defense.
Your alibi for not doing anything.
Because the world is [redacted] right now, and we all know it.
Just look at the news for five [redacted]ing minutes and it's obvious.
Big business controls your government.
[redacted] go on shooting rampages almost daily.



Terrorists blow up airports and train stations.
Cops kill innocent black kids and get away with it.
Psychopaths run for President.
Oh, and the Middle East is one nuke away from turning us all into dust.
And that's just the tip of the iceberg.
Let's not even get into all the racism and sexism and homophobia.
And every other hateful thing that makes humanity such a nightmare to be a part of.



The fact is, there's no justice.
Bad people get away with everything.

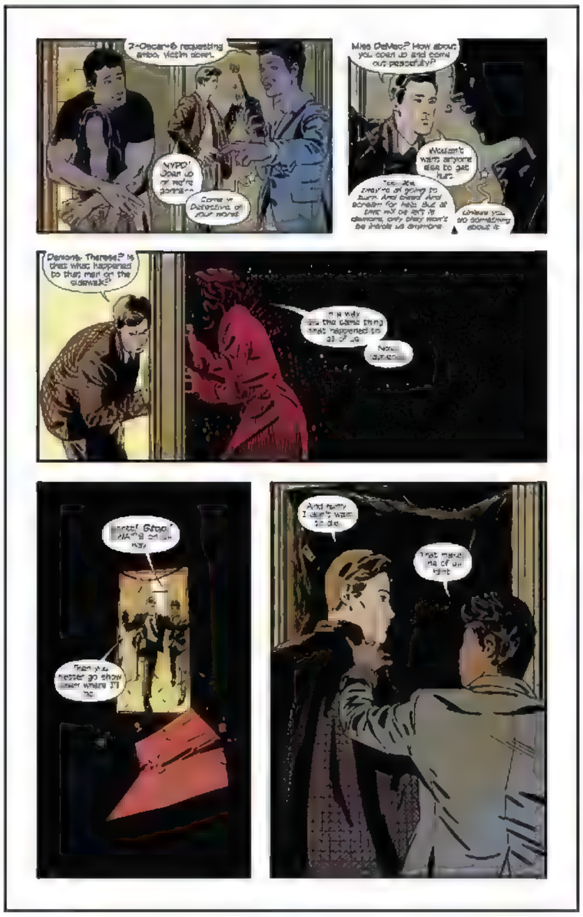
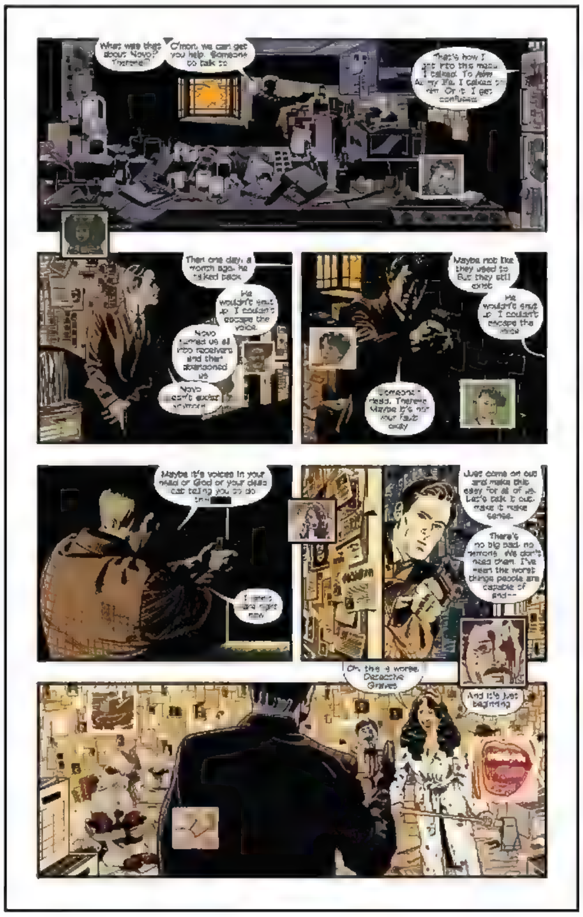
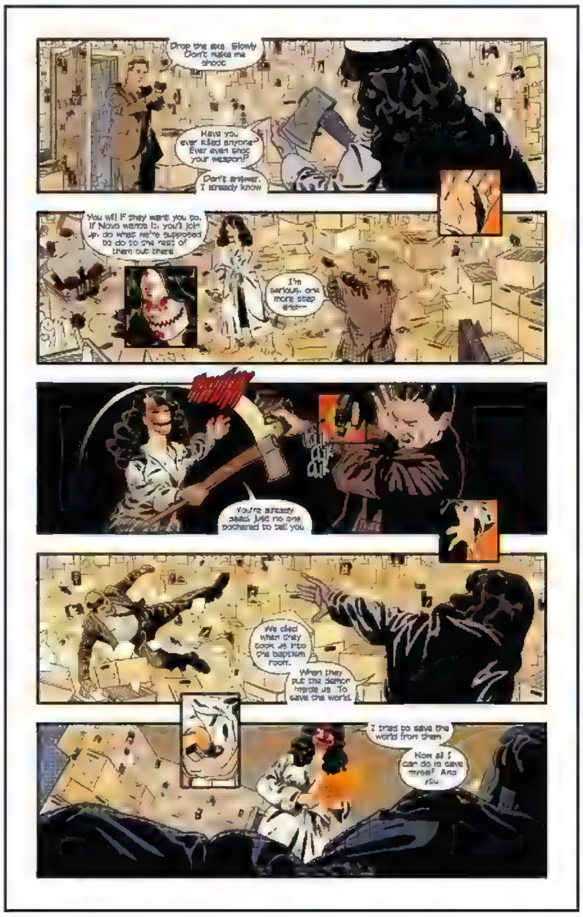
Lighten up, Graves. I'm allowed to use your past against you, Mr. Sensitive. It's in the partner manual.
Uh huh. Let's roll. Faster we knock this out, tell the roomies to stop fighting over the milk, faster we can catch something worth our time.
Famous last words. Bet we walk into a complicated cluster--
Your lips to God's ear, Fischer.
THWAMM



7-Oscar-6 requesting ambo, victim down.
NYPD! Open up or we're gonna--
Come in, Detective, at your word.
Miss DeMeo? How about you open up and come out peacefully?
Wouldn't want anyone else to get hurt.
Unless you do something about it.
Demons, Therese? Is that what happened to that man on the sidewalk?
the same thing that happened to all of us.
And really I don't want to die.
Then you better go show them where I'll be.



What was that about Novo, Therese?
C'mon, we can get you help. Someone to talk to.
That's how I got into this mess. I talked. To him. I talked to him. Or I get confused.
Then one day, a month ago, he talked back.
He wouldn't shut up. I couldn't escape the voice.
Novo turned us all into receivers and then abandoned us.
Novo doesn't exist anymore.
Maybe not like they used to. But they still exist.
He wouldn't shut up. I couldn't escape the voice.
Someone's dead, Therese. Maybe it's not your fault only.
Maybe it's voices in your head or God or your dead cat telling you to do this--
I think you are right now.
Just come on out and make this easy for all of us. Let's talk it out, make it make sense.
There's no big bad, no demons. We don't need them. I've seen the worst things people are capable of and--
Oh, this is worse, Detective Graves.
And it's just beginning.



Drop the axe. Slowly. Don't make me shoot.
Have you ever killed anyone? Ever even shot your weapon?
Don't answer. I already know.
You will if they want you to. If Novo wants it, you'll join up, do what we're supposed to do to the rest of them out there.
I'm serious, one more step and--
You're already dead. Just no one bothered to tell you.
We died when they took us into the baptism room.
When they put the demon inside us. To save the world.
I tried to save the world from them.
Now all I can do is save myself. And you.

EDEN'S FALL #1

Top Cow combines three of its most provocative titles (**THINK TANK**, **THE TITHE**, **POSTAL**) in an unflinching fable of revenge and consequence. FBI Agent James Miller (**THE TITHE**) follows a sociopath into the off-the-grid town of Eden, Wyoming on a personal mission of vengeance. The price of this vigilante justice will be paid in blood, and both Eden and James Miller will never be the same.

BLOOD & DUST #1

FAMILY VALUES HAVE NEVER BEEN MORE HORRIFYING!

Judd Glenny is the first American vampire, once he terrorized the West as its most fearsome predator, but for more than 40 years now he's spent his days in peace, reduced to little more than babysitter for his own vampire offspring. But when the evil that lives in the swamp surrounding the small backwater town he calls home gets ahold of one of Judd's great grandkids, everything changes.

One day, the Animals woke up.
They started thinking.
They started talking.
They started taking revenge.

Now, a dog and his girl are trying to get away — out of New York City, and all the way to San Francisco, to the only person who might be able to protect and save her.

From the writer of INSEXTS A-FORCE, and BOMBSHELLS and the artist of SUPERZERO, comes a new kind of road trip, a new kind of black comedy, and a new kind of coming-of-age story.

NEW AMERICAN MYTHOLOGY EDITION!

Days Missing: Kestus continues the saga that Warren Ellis describes as "…greatly entertaining material, tightly and inventively told" and Ain't It Cool News responded to with, "I can say with certainty that even though Gene Roddenberry is no longer with us his legend will continue to live on."

This thrilling sequel to the critically acclaimed series adds another layer to the story of The Steward, a mysterious being whose ability to "fold" days of time has resulted in critical human events being absent from our historical record. Their existence is not remembered… but the occurrences of these days have forever changed the course of our evolution. Since humanity's birth, The Steward has stood alone as a guiding force for our species. But now, he is about to learn that that he is not the only one influencing our evolution! The emergence of the ancient being, Kestus, may put everything he knows in question, and the future of those he means to protect in jeopardy.

NEIL VOKES

This summer, fans of classic horror will receive a very special treat. Neil Vokes, the incredible illustrator and creator of comics like *Eagle*, *The Black Forest*, and *Flesh & Blood*, is unleashed to tell new and classic tales of terror in a brand new anthology. If you love all things creepy and crawly, prepare for old school horror and modern storytelling to collide in a one-of-a-kind new series! Welcome to *Dark Tales from the Vokesverse*!

We spoke with Neil about his new project and asked – "What exactly is the "Vokesverse"? Are these stories in the same universe or are they related thematically?"

NEIL: The Vokesverse is a somewhat silly term for a bunch of short stories and characters that I've co-created with various writers thru the years. Because the stories all share the same artist and co-creator (me) -it could be said that they inhabit the same universe, I suppose. But I'd more likely consider them within a multiverse-sort of like Earth 1, 2, etc. That doesn't preclude them from crossing over with each other. Since I enjoy working on projects that use a lot of similar ideas and influences, thematically they certainly do live near each other.

AM: Why is this project important to you?

NEIL: It's important to me because I truly enjoy doing what I do in this crazy business and I'm very lucky to still be doing this over 30 years later. Believe me…I've amassed quite a few dark tales in that time.

AM: Will we see these characters again in future issues or their own series?

NEIL: Well I certainly hope we will. They could easily move on to their own series, each have their own back stories and potential future stories existing in all the creators' imaginations. Hopefully this anthology will introduce our diverse characters and stories to the readers in a way that will entertain and horrify.

AM: We saw the first new *Eagle* and *Death's Dark Angel* comics in over 20 years and now the *Falconer* is back in *Dark Tales from the Vokesverse.* Are you enjoying working on these great characters again?

NEIL: I am overjoyed to be working with *Eagle, Death's Dark Angel*, and *Falconer* again. I never thought that I'd get another chance to tell these character's adventures. Thanks to the efforts of talented collaborators and the loyal friendship and advice of people like James Kuhoric, I get to continue playing in my favorite playground.

AM: What do you want your fans to know about this new project?

NEIL: I want to share my love for the horror/adventure genre within these short stories and the possible series to follow. I want my fans and friends to know that I'm going to put 100% of myself into bringing them the best, most entertaining stories my partners and I can come up with for as long as they want me to do them.

No budget is too low, no dialog too cheesy, and no plot line too thin to keep B-movie scream queen Sonya from staring in these straight to DVD flicks. From horror - to action - to erotic thriller, each issue is a laugh-filled send up of a different genre and movie – but they all have one thing in common: Sonya Devereaux and FUN! Okay, that's two things. But just like gravy on mashed potatoes is delicious, Sonya in a crappy movie is hilarious!

Now showing: THE NAKED ARE THE DAMNED 2: Satan has possessed a greedy CEO that wants the farm land owned by Camille's (Sonya Devereaux) family. With the help of a voodoo queen, Camille must use her wits, charm, and skill to defeat a zombie army!

TERMINARCH

Recommended by Trevor Richardson

The cool thing about Jordan Hart's sci-fi dystopia *Terminarch* is its ability to take iconic tropes and turn them on their head. Combining elements of a robot uprising in the spirit of *The Terminator* with the androids reminiscent of the Replicants in *Blade Runner*, the framework of the story seems like familiar territory. But the familiarity stops there. Typically a machine-led extermination of humanity is the result of some computer determining the human race is too chaotic to survive, but these machines actually revere humanity. Humans can do one thing the androids can't – create art. In an effort to preserve the world for artists, to effectively put them on a pedestal, all non-artists are eradicated.

Of course, no robot apocalypse is complete without a John Connor, and *Terminarch* gives us ours in the form of Martin Allerton, a hermit who has no idea the world has changed until he is pulled into the fight. Through his experience, we learn that artists were given a god-like celebrity in the new society, with the androids believing they had created a utopia for their idols. Where some of the surviving humans embraced their role in the new world, many others took their own lives in grief, and a few started a revolution. Brought in to unite the various rebel factions, Allerton finds the epicenter of what makes this story so provocative – the artists who would historically be seen protesting a war have now been called upon to lead one.

Flipping another familiar idea on its head, the artists in *Terminarch* will have to "make war, not love."

Archie and Jughead have been playing their instruments in Archie's garage for a while, but now it's finally time for them to take their talents elsewhere. Veronica suggests that the two form a band — assuming, of course, that *she* gets to be their lead singer. This bothers Betty, since music was a deep connection that she had always shared with Archie — so she'll just have to form her own rival band. Now it's #TeamArchie vs. #TeamBetty in a battle of the bands that has the whole school picking sides! (STL012759)

THE MOST GROUNDBREAKING EVENT IN ASPEN COMICS' HISTORY CONTINUES!!!
For over thirteen years, devoted Aspen Comics fans have clamored for something special...something unique... something...UNIMAGINABLE! Aspen Comics has answered the call for loyal fans and new readers alike!

This summer, legendary creator Michael Turner's two greatest creations, Fathom and Soulfire, unite as one in a crossover event so massive in scope, it can only serve to forge a BRAND NEW ASPEN UNIVERSE in the process! Aspen's most iconic characters meet in this era-spanning second chapter, as Aspen Matthews and Malikai encounter a Grace unlike anything fans have ever seen before–And one that could spell certain doom for the entire Aspen Universe!

From the mind of Harvey, Eisner and Emmy Award nominated writer Joshua Hale Fialkov and New York Times Best-Selling author J.T. Krul comes this world-shattering new crossover series event that sets the stage for all future Aspen Comics titles to come!

ASPEN UNIVERSE: REVELATIONS #2 is in stores August 17th, 2016!

DUTY BEYOND DEATH...IS HONOR.

From creators Paolo Pantalena (Jirni) and Vince Hernandez (Fathom: Kiani) comes this all-new action-adventure series hundreds of years in the making! Enter the world of feudal Japan, where bloody clan warfare and powerful bloodlines rule the land along with ancient evil beyond mortal comprehension! Within this brutal climate, one woman is faced with a choice that could forever change the face of history.

Yukiko finds herself at the mercy of a strange new foe capable of matching her in combat, yet her true enemy remains on her tracks, as the blood of her past comes crashing down upon her within the hallowed grounds of an ancient castle filled with deep, dark secrets!

NOBODY EVER SAID BEING A TEENAGE WAS EASY...

Created by Michael Turner (Fathom), Scott Lobdell (Uncanny X-Men) and David Wohl (Witchblade, Executive Assistant: Iris)! Hunter Wilson is just an average American teenager in an average American town, but when the beautiful and amnesiac Celeste arrives in his backyard, Hunter's life will change forever. He discovers that Celeste had disappeared from that very house ten years earlier, and now she's back with little memory of who she was--but with strange, fantastic abilities and the knowledge that dark forces are rapidly approaching! Hunter must help Celeste regain her memory while he tries to keep himself and his friends safe--and if that wasn't difficult enough, Homecoming is just a week away and he doesn't have a date to the dance yet! Collecting together the entire first volume, along with the Free Comic Book Day teaser story, and written by David Wohl, with art by penciler Emilio Laiso (Civil War II) and colorist Brett Smith (Jirni), this hit sci-fi, action adventure series is the perfect addition to your graphic novel collection!

About: Sitting in the theater of Alan Moore's imagination you begin to notice some rather disturbing things. The floors are wet and the seats are tacky and have a noticeable smell of rot. A female usher walks down the aisle dragging a limp leg and shining a muted yellow beam filled with dust and debris into your eyes as she passes. You catch glimpses of seedy characters and acts happening around you. But the lights have gone down and the show is beginning. Enjoy a front row seat to the biggest names in comics delivering their finest works, all in luscious black & white. This issue continues Cinema Purgatorio by Alan Moore and Kevin O'Neill, A More Perfect Union by Max Brooks and Michael DiPascale, Code Pru by Garth Ennis and Raulo Caceres, Modded by Kieron Gillen and Ignacio Calero, and The Vast by Christos Gage and Gabriel Andrade. Each story has its own cover by the series artist and there is also an Ancient Tome Premium edition limited to 1000 copies.

Covers by **Veronica Fish**, **Bridget Underwood** *(Program Bill Variant)*, **Rob Guillory** *(INCV)*
$3.99 • 32 Pages • Full Color

- James Tynion IV *(Batman Eternal, The Woods)* teams up with artist Rian Sygh *(Munchkin, Stolen Forest)* for an incredible yet earnest story about finding a place to fit in when you're kinda an outcast.
- When Jory transfers to the private, all-boys school St. Genesius, he figures joining the stage crew would involve a lot of just fetching props and getting splinters. To his pleasant surprise, he discovers there's a door backstage that leads to different worlds, and all of the stagehands know about it!
- *All the world's a stage*...but what happens behind the curtain is pure magic!

About: This giant sized second issue takes us deeper into the world of The Ravening and Hellina as your lovers Izzy and Corrie defy the rules of their station and use their supernatural lust to save their clans. But the world they live in is defined by the horrors and monsters that roam freely and a new union of beasts is determined to devour the daughters of the night. This is a new type of underworld adventure where the creatures brazenly control the world and none of the nightmares are repressed. To make this truly unforgettable we've also included a Ravening tale from the past, newly colorized and presented to a modern audience!

Boundless delivers a host of sexy stunning covers with this issue including a Regular Cover by Christian Zanier, Wraparound and Temptation Covers by Raulo Caceres, Goth Deco Cover by Gabriel Andrade, and a Succubi Cover by Renato Camilo. Plus an array of super limited covers for the collector including an Alluring Century Set (limited to 100 sets) by Matt Martin and Costume Change Set (limited to 250 sets) by Christian Zanier. ALONE VOLUME 6: THE FOURTH DIMENSION AND A HALF GN

(W) Fabien Vehlmann (A/CA) Bruno Gazzotti

It's war between the children — but a common enemy threatens them all! After the terrifying discovery of the monolith in the red zone, the children must now adapt to having Dodzi back among them, something they never expected. Problem is, Saul, too, is back, and the Clan of the Shark has relocated to Campton. While Ivan begins investigating the 15 families that his father once mentioned, a territorial struggle begins between the two groups, one that soon turns to open war. And Saul will stop at nothing to assert his authority. (STL012715) (C: 0-1-1)

Twenty seconds to tell the difference between friend and enemy, to choose between life and death. Poor Largo is beside himself with worry. The lovely Saidee, with whom he's fallen madly in love, has vanished. In fact, she's being held prisoner by a CIA agent who'd forced her to infiltrate a fundamentalist network hell-bent on blowing Winch up — but which is actually being manipulated by a Russian businessman. Nothing is ever simple with Largo! How is he supposed to save his love, keep his group going — while also staying alive, if at all possible? (STL012717) (C: 0-1-1)

THE MARQUIS OF ANAON VOLUME 4: THE BEAST GN

(W) Fabien Vehlmann
(A/CA) Mattieu Bonhomme
Isère, on the marches of France. A regiment of dragoons enters a seemingly deserted village to find several badly mangled bodies and evidence of an attack by a wild animal. Survivors speak of a massive beast with almost human eyes, of a werewolf. The thing's trail leads over the border with the Duchy of Savoy, and the commander of the dragoons takes a small detachment, in civilian clothes, after it. With them is his cousin: Jean-Baptiste Poulain. (STL012718) (C: 0-1-0)

FREDRIC BROWN'S MARTIANS, GO HOME

Recommended by Matthew Demory

While reading through *Fredric Brown's Martians, Go Home* I was reminded of the episode "Who Watches the Watchers" from *Star Trek: The Next Generation*. In this episode a group of scientists are observing a Bronze Age alien race called the Mintakans from a hidden outpost on their planet. The outpost is compromised and the lesser developed civilization is immediately confronted with 24th-century technology. These people who lived in huts and hunt with bows are immediately face to face with a different species that can instantly transport from one place to another. To them, the crew of the *Enterprise* appeared as gods.

Luckily for the Mintakans the crew of the *Enterprise* had their best intentions at heart. Unfortunately for the people of Earth in *Fredric Brown's Martians, Go Home*, the shoe is on the other foot. This time the aliens are coming to a lesser developed planet with a different set of intentions. In *Independence Day*, a more advanced civilization came to steal our resources. In *Predator*, they came to hunt us. In this book, the Martians come to earth to troll us and all our "disgusting habits".

Martians have evolved beyond us. They have better technology, a more advanced civilization. They appear as gods of chaos. Their only vice seems to be that they love to play practical jokes on us unsuspecting normal humans.

Be sure to pick up *Fredric Brown's Martins, Go Home* this August and see how long it takes for civilization as we know it to crash and burn.

Something bad is coming. Something that could kill Heaven and Hell and the Earth itself: The Godeater. And the only thing standing its way is... Evil Ernie? We're probably all screwed. Dynamite Entertainment proudly welcomes Justin Jordan, the Harvey Award-winning writer of such horror hits as The Strange Talent of Luther Strode and Shadowman, as he debuts the all-new "Godeater" storyline, an event so epic in scope, it promises to shake the very foundations of the Chaos! universe!

EVIL ERNIE #1 comes jam-packed with additional content! As if one potential doomsday wasn't enough, Dynamite delves into the Chaos mythology in "Last Ditch Bitch," a serialized back-up feature that introduces Liv Halvorsen, lead singer of a Scandinavian Death Metal band... and an unwitting pawn in Ragnarok! Plus, this issue will include an in-depth interview with Justin Jordan about Evil Ernie, the Chaos! Comics universe, and more!

WRITER JUSTIN JORDAN DISCUSSES EVIL ERNIE: GODEATER

KEITH DAVIDSEN: How's it feel to take the creative reins on *Evil Ernie*? What are your thoughts on the comic book industry's most bad-ass boogeyman, and what do you hope to explore with the character?

JUSTIN JORDAN: Kind of daunting! *Evil Ernie* has a special place in my heart. I was born in the late seventies, so when I was a kid, comic books were everywhere. You could buy them in every gas station and grocery store, which was awesome. But what you could buy was, by and large, Marvel and DC superheroes... which was also fairly awesome. But when I was thirteen or so, a local bookstore started stocking comics, and their selection was much, much broader, and one of the things they included was *Evil Ernie*. Which was very, very different than the superhero comics on the newsstands. So that, along with a few other books, really expanded my view of what comics could be, and as a horror fan, that book particularly resonated.

Coming around to write that character, twenty five or so years after Ernie changed the course of comics, is a little intimidating. There's a reason that he resonated, and is still kicking now. There's a core to the character that works. He's a monster, sure, but he's a monster born out of seeing the worst in people and who's done terrible things because of love. And I think that core and that contrast are why people still like Ernie and Smiley after all these years, and that's the core I want to make sure I get right.

Specifically in *Godeater*, I wanted to sort of explore the mythology of the universe that Ernie inhabits. Why was he chosen? How did the world get the way it became? If Mistress Hel exists, are there other gods? And, you know, tell a kickass story at the same time.

KD: We've heard that *Evil Ernie: Godeater* will shake the Chaos! Comics universe to its very foundations. How would you describe the scope of this story, and the forces amassed either alongside or against Ernie?

JJ: Well... if you wanted to see frozen Viking zombies fighting alongside demon hordes against a Lovecraftian nightmare, this is probably the book for you. We're going big for this one, and the whole Chaos! Comics Universe is at stake!

KD: What do you hope that longtime Chaos! Comics fans will appreciate about *Godeater*, and what will be the draw for curious newcomers? Are there other works from the Justin Jordan library whose fan base will naturally crossover from, and what would be the connective themes?

JJ: My goal with pretty much everything is to tell the most entertaining story I can. If you had fun, then I've done my job. But beyond that, I think, or at least hope, that *Godeater* will give them a better sense of why the Chaos! Comics universe looks the way it does and functions the way it does. If you're new to the universe, I hope this serves as a good introduction to why Ernie is awesome and why you should read the rest of his stories. I think, in particular, if you like my book Spread, you're probably going to enjoy what I did here. There's a lot of large scale horror going on, as well as my usual themes of what it means to have power and what you should do with it once you have it (which is also one of the big themes in my *Luther Strode* series).

WRITER CULLEN BUNN DISCUSSES BATTLESTAR GALACTICA

KEITH DAVIDSEN: To start off with – what's your history with the classic *Battlestar Galactica*? Can you share an anecdote about watching the show, and what may have stuck with you about its setting, the drama, its epic confrontation between Good and Evil?

Cullen Bunn: I remember riding the school bus on the day after the show aired. I was chattering away with my buddies about how awesome the show was and how cool it was when the Cylons intoned, "By your command!" I remember stumbling onto action figures for Cylons and Ovions at the toy store (although the Cylon's legs weren't articulated, which always bugged me). I also remember being really terrified by the Ovions, and somehow I could have sworn I saw Baltar getting beheaded by the Cylons only to return on the next episode. I know, though, that there were different versions of the series cut into TV movies, so maybe that's just childhood memories overlapping. A few things about the series have always stuck with me, though. First of all, the characters were great – from Starbuck to Sheba, Boomer to Adama, even Jolly! I really loved them all and felt like there were many stories about them waiting to be told. I also love the epic cosmology of the series, that it connected to the history and religion of Earth in some really interesting ways. The show had a few episodes unlike anything I might have expected to see in a typical space opera.

KD: Let's talk about how you personally view the cast of *Battlestar Galactica*. For such memorable heroes as Adama, Apollo, and Starbuck, what do you find the most interesting aspects of their character? What do you plan to explore in (or with) these characters?

CB: I never really thought about it in these terms when I watched the show as a kid, but nowadays I think it's interesting to see how each of these characters are facing what is essentially the end of their species in the same way. Adama never gives up hope that there is another world to be found. Apollo struggles to build a family. Starbuck whistles past the graveyard. Baltar betrays everyone he's ever known. I'd like to explore the ideas of hope and desperation, salvation and damnation… and that's a big part of the story I'm telling.

KD: The description of the new *Battlestar Galactica* series indicates that the crew will stumble upon a "cosmic mystery where the hunters become the hunted". Without giving too much away, what can you tell us about the threats that they'll face in the wilds of space?

CB: "Wilds of space" is right, because the fleet is going to find itself at the heart of a surreal mystery in an unexplored sector of space. What they find there, though, makes them believe that they are not the first Colonial Battlestar to arrive in the area. They are, of course, pursued by the Cylons, but even they are met with a shocking surprise and mystery. Old enemies resurface, some with devious plans to cast the entire fleet into darkness, and strange alliances are formed in order to survive in this bizarre environment. What starts as an initial story arc could lead to a new, sweeping epic featuring the Galactica and its crew.

ARMY OF DARKNESS: ASH FOR PRESIDENT

48 PAGE SPECIAL!

Army of Darkness Ash For President is a thematic sequel (of sorts) to the *Ash Saves Obama* mini-series. Previously, I poked fun at all the ridiculous merchandising that surrounded Obama's first term as President. With the new one-shot, I get to have fun in the political realm and with the wacky things that politicians will often say. No matter what side of the aisle you're on, both sides have said their fair share of things that are just begging to get poked at."

He's faced off against demons in Hell. He's battled the dead in the future. He's even combated the armies of darkness in space. But Ash Williams has never gone up against evil in an arena like this: the political arena! From the writer who brought you "Hail to the Queen, Baby" and "Ash Saves Obama" comes the off-beat adventure that answers the question: "What if Ash Williams ran for President of the United States?" When the Necronomicon Ex Mortis gives him a cryptic message, Ash Williams enlists the help of a beautiful psychic to help him track down the agent of the "Great Darkness", an evil so great that it threatens both humankind and the demon realm. But what happens when the search for truth takes Ash on a trail that he never expected... the campaign trail?

Every living creature on Earth has been devolved - the evolutionary clock turned back, reverting all life to odd mutations and prehistoric incarnations. The cities of man are little more than bloody territories ruthlessly dominated by tribal Neanderthals ruling from the backs of mammoths, packs of saber-toothed tigers, and giant man-eating insects. Raja, one of the few remaining "Still Sapien" humans, heads to San Francisco to find the antidote for the world-changing DVO-8 viral agent. But to cross the wasteland, she'll have to convince the last pocket of humanity to join her quest... and survive the Nazi hillbillies that rule them through fear!

Who knows what evil lurks in the hearts of men? Dynamite knows! Since 2002, The Shadow has been an integral part of Dynamite Entertainment's publishing line, a relentless force of justice haunting the shelves of comic shops each and every month. Over the years, dozens of highly skilled artists have drawn and painted the crime-fighter, as well as his signature cloak, slouched hat, and twin .45 semi-automatic pistols. The Dynamite Art of The Shadow celebrates the timelessness of a pulp fiction icon, as captured by the comic industry's most acclaimed talents: Alex Ross, Howard Chaykin, Matt Wagner, John Cassaday, Francesco Francavilla, Tim Bradstreet, Wilfredo Torres, Chris Samnee, Jason Shawn Alexander, and many more.

"A FANBOY'S DREAM!

If you go with the radio version, he was invisible and had the power to cloud men's minds. If you prefer the pulp version, he mastered the art of stealth in the shadows. Either way, what a challenge to artists to attempt to bring this character to life in a visual medium like comic books! But without a Shadow of a doubt, the deed was done and the coup was pulled off by generation after generation of artists from the 1930's to today, building a legend of contemporary mythology in the process and making The Shadow one of the most widely-known characters in pop culture history.

With a line-up of interior Shadow stories by top, cutting edge graphic story-tellers, Dynamite was able to hit home run after home run with its choice of cover artists, ranging from the top painters to top traditional comic book artists to top cartoonists.

The Shadow is mysterious. His artists are brilliant. And the Shadow art is... Dynamite!"

Months after the tragic loss of his companion Margo Lane, The Shadow grows frustrated in his efforts to find those responsible for her demise, the mysterious Red Empress and her Tong gang. Growing increasingly grim and merciless in his pursuit, the Master of Darkness finally uncovers a clue that points to a certain Chinatown nightclub. Our hero leads a strike team of his most trusted agents in a raid on the lair of the Red Empress. Will The Shadow's quest for vengeance ultimately push him over the edge, into a path of madness and homicide? This compelling storyline is brought to life by Eisner Award-winner Matt Wagner, as both writer and artist, and colored by Brennan Wagner.

"While he is a versatile writer, pulp has always been Matt Wagner's element. As such, it should be no surprise that The Shadow fits his style like a custom-made tuxedo."

Billionaire technologist Mick Gentle has promised to restore Steve Austin's humanity, but there's a catch. To remove Austin's bionic parts, Gentle needs a Soviet device held in a top-secret base in East Berlin. But the Berlin Wall is just the smallest hurdle, as Austin squares off against enemy agents, killer robots, and mutant creatures birthed of the maddest mad scientists.

After a military helicopter crashes in a remote valley in Africa, a lone survivor awakens without memory of his identity or mission. From the wreckage, he learns only his name: Roger Drum. Armed with instinctive survival skills, the amnesiac roams his new surroundings, discovering a bizarre lost world of dinosaurs, mammoths, sabretooth tigers, and primitive human tribes. Against the backdrop of this hostile new reality, Drum must come to terms with his violent past... so that he may assume the respected and feared mantle of the prophesied jungle warrior Thun'da!

Thun'da, the hero of the primeval forest created by legendary fantasy illustrator Frank Frazetta, returns in this action-packed adventure by Robert Place Napton and Cliff Richards! As a special treat, Dynamite Entertainment proudly presents four classic tales of Thun'da, fully remastered and featuring the creative talents of comic legends Gardner Fox (Detective Comics, The Flash) and Frank Frazetta himself!

If we erase our memories do we erase ourselves in the process? In a future when technology can implant or remove human memories and police use brain scan technology in criminal investigations, a mute girl must turn to an intellectually disabled handyman for protection after her parents are brutally murdered. On the run from an army of hit men who will stop at nothing to kill them, it is revealed that the girl is carrying implanted memories that threaten to expose a conspiracy. (STL012186)

HOW TO UNDERSTAND ISRAEL IN 60 DAYS OR LESS GN
(W/A/CA) Sarah Glidden
Sarah Glidden is a progressive Jewish American twenty-something who is both vocal and critical of Israeli politics in the Holy Land. When a debate with her mother prods her to sign up for a Birthright Israel tour, she expects to find objective facts to support her strong opinions. With straightforward sincerity, lovingly observed anecdotes, and a generous dose of self-deprecating humor, Glidden's perspective is distinctive yet accessible. Over the course of this touching memoir, Glidden comes to terms with the idea that there are no easy answers to the world's problems, and that is okay. (STL012777)

AYA: LOVE IN YOP CITY GN
(W) Marguerite Abouet
(A/CA) Clement Oubrerie
Aya: Love in Yop City comprises the final three chapters of the Aya story, episodes never before seen in English. Aya is a lighthearted story about life in the Ivory Coast during the 1970s, a particularly thriving and wealthy time in the country's history. This second volume of the complete Aya includes unique appendices - recipes, guides to understanding Ivorian slang, street sketches, and concluding remarks from Marguerite Abouet explaining history and social milieu. Inspired by Abouet's childhood, the series has received praise for offering relief from the disaster-struck focus of most stories set in Africa. (STK520695)

Big Kids follows a troubled teenage boy through the transformative years of high school, as he redefines his friends, his interests, and his life path. When the boy's uncle, a police officer, gets kicked out of the family's basement apartment and transferred to the countryside, April moves in. She's a college student: mysterious and cool, she quickly takes a shine to the boy. Eerie and perfectly paced, Michael DeForge's *Big Kids* muses on the complicated, and often contradictory, feelings people struggle with in adolescence, the choices we make to fit in, and the ways we survive times of change. A darkly funny portrait of Middle America seen through the stunted minds of its children. The modern lost souls of *Beverly* struggle with sexual anxieties that are just barely repressed and social insecurities that undermine every word they speak. Time passes, bodies change sizes, realities blur with fantasies, truths disintegrate, childhood comforts turn uncomfortable. Again and again, the civilized façades of Nick Drnaso's pitch-perfect suburban landscapes crack in the face of violence and quiet brutality. Drnaso's debut graphic novel, *Beverly*, leaves you haunted and squirming and longing for more. (STK693168)

BUMPERHEAD HC

(W/A/CA) Gilbert Hernandez

Love and Rockets cartoonist Gilbert Hernandez returns with *Bumperhead*, a companion book to *Marble Season*. Bobby, a young slacker, narrates his life as it happens but offers very little reflection on the events that transpire. Bobby lives in the moment exclusively, and is incapable of seeing the world outside of his experiences. He comes of age in the 1970s, making a rapid progression through that era's different subcultures; in a short period of time he segues from a stoner glam-rocker to a drunk rocker to a speed-freak punk. He drifts in and out of relationships with friends, both male and female. Life zooms past him. (STK649132) (C: 0-0-1)

Geneviève Castrée has long been beloved for her mini-comics, comics, visual art, and music. There is a unique quality to all of her artistic endeavors — quiet, serene, depressing. Castrée's keen eye for detail and her fearless ability to probe the depths of her troubled past make *Susceptible* a stirring portrait of an artist coming into her own. *Susceptible* is the story of Goglu, a daydreamer growing up in Quebec in the '80s and '90s with a single mother. From a skillful artist comes a moving, beautiful story about families, loss, and growing up. (STK518743)

The Freddie Stories traces a year in the life of Freddie, the youngest member of a troubled, often dysfunctional family. Collected from Lynda Barry's beloved *Ernie Pook's Comeek*, these four-panel entries, each representing an episode in the life of Freddie, bring to life adolescence, pimples and all. No matter what happens, it all seems to go wrong for Freddie. With consummate skill, Barry writes about the cruelty of children at this most vulnerable age when the friends they make and the paths they choose can forever change their lives. (STK518744)

WE TOLD YOU SO: COMICS AS ART

by Tom Spurgeon & Michael Dean

$49.99 / HC / 576 pgs / FC / 8 x 10

We Told You So: Comics As Art tells of Fantagraphics Books' key role in helping build an art movement in the 1970s around a discredited, ignored and fading art form: comics. Assembling an all-star cast including Chris Ware, Art Spiegelman, Harlan Ellison, Jim Shooter, Stan Lee, Daniel Clowes, Frank Miller, Peter Bagge, Jaime Hernandez, Gilbert Hernandez, Dave Sim, Steve Geppi, Todd McFarlane and every other major figure in modern comics, *Comics As Art...* makes the warts and all case for Fantagraphics Books' position near the heart of the modern reclamation of the comics art form.

ART & BEAUTY #3

by R. Crumb

$7.99 / Comic / 44 pgs / B&W / color cover / 7 x 10

The third, last, and most splendiferously accomplished volume of R. Crumb's *Art & Beauty* series. Three years in the making, A&B 3 contains 44 pages of almost exclusively female images drawn from extemporaneous sightings and photos (selfies!) and displaying the artist's obsession with large rumps and the infamous peanut-shaped curve. Includes running ruminations by the artist as well as guest ruminations by George Grosz, William de Kooning, Ralph Waldo Emerson, and others. By the artist whose ass *The New York Observer* can kiss.

SPANISH FEVER

Edited by Santiago Garcia, Introduction by Eddie Campbell

$29.99 / SC / 304 pgs / Black-and-white and color / 7 x 9.5

Spanish Fever is a best-of anthology of contemporary comic art from a country with one of the strongest cartoon traditions in Europe. With its panoramic view of the contemporary Spanish comics scene, *Spanish Fever* includes the work of masters such as Paco Roca, Miguel Gallardo, David Rubín and Miguel Ángel Martín along with newcomers like José Domingo, Anna Galvañ, Álvaro Ortiz and Sergi Puyol —more than 30 artists working on the cutting edge.

THE REALIST CARTOONS

Edited by Paul Krassner

$44.99 / HC / 320 pgs / PC / 13 x 8

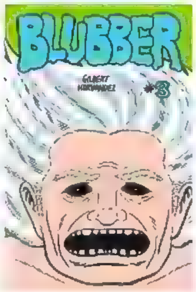
Founded by Paul Krassner, *The Realist* (1958-2001) was a legendary satirical magazine that featured an amazing stable of contributing writers and cartoonists whose mission was to assault flabby American culture, using humor and ridicule as their weapons of choice. *The Realist Cartoons* collects for the first time the best, wittiest, and most provocative drawings that appeared throughout the magazine's history, including work by R. Crumb, Art Spiegelman, S. Clay Wilson, Jay Lynch, Trina Robbins, Mort Gerberg, Jay Kinney, Richard Guindon, Nicole Hollander, Skip Williamson, and many others.

GROWING UP IN PUBLIC

by Ezequiel García

$22.99 / SC / 128 pgs / black and white with color / 9.5 x 9.5

The American debut of Argentine cartoonist Ezequiel García explores the anxiety of aging as a working artist coupled with the uncertain future of his hometown, Buenos Aires, where the cultural firmament is being eroded. Like Lucy Knisley's *An Age of License* spun with Moon and Ba's *Daytripper*, García finds meaning in autobiography and embraces all the promise and panic that comes with it.



BLUBBER #3

by Gilbert Hernandez

$3.99 / Comic / 24 pgs / 6.5 x 10

Unleashing the unfettered *Id* of the great Gilbert Hernandez! Absurd, explicit, and profanely comical, *Blubber* makes all other comics blush. Pupusi (last seen in Gilbert's *Garden of the Flesh*) gets it on with a hideous monster, a couple of lustful faun follow suit, an alien takes a substantial bowel movement, a guy with a large member gets it on with a little alien, and so much more!

FROM FANTAGRAPHICS BOOKS

THE LONGEST DAY OF THE FUTURE

by Luca Varela

$24.99 / HC / 112 pgs / FC / 7.5 x 10.25

Argentinian cartoonist Lucas Varela has crafted a wordless thriller reminiscent of the work of Jason (*I Killed Adolf Hitler*). In a futuristic city, two mega-companies engage in a battle to eliminate the other. Will the crash of an extraterrestrial flying saucer change that? Under the guise of a science fiction fable, Varela has spun a searing indictment against consumerism and unfettered capitalism.

VISUAL ABUSE: JIM BLANCHARD'S GRAPHIC ART 1982-2002

by Jim Blanchard; Introduction by Jim Woodring

$34.99 / HC / 212 pgs / Color and black-and-white / 9 x 12

A visually rich and outrageous collection from the 1982-2002 work of Jim Blanchard documenting the halcyon days of punk rock, grunge as well as page after page of psychedelic art, bizarre sociopathic comics, exquisitely detailed pop culture portraits and twisted "glamour girl" art, making this an overwhelming and long-overdue compendium by an elusive, dedicated, and complex artist.

COSPLAYERS

by Dash Shaw

$22.99 / HC / 116 pgs / FC / 5.75 x 8.5

Dash Shaw's ode to that defining element of fandom, the "costume play", artfully celebrates both the culture's theatricality and uniquely D.I.Y. beauty via a series of interconnected short stories surrounding two young women. *Cosplayers* depicts their stories in an affectionately funny way and features plenty of easter eggs for the cognoscenti as well as being the perfect entry point for those befuddled by the phenomenon. To be released around the same time as Shaw's feature film directorial debut, *My Entire High School Sinking into the Sea.*

BERA THE ONE-HEADED TROLL HC

(W/A/CA) Eric Orchard

Bera doesn't ask for much in life. She's a solitary, humble troll, tending her island pumpkin patch in cheerful isolation. She isn't looking for any trouble. But when trouble comes to find her, it comes in spades. A human baby has arrived in the realm of the trolls, and nobody knows where it came from, but Bera seems to be the only person who doesn't want it dead. There's nothing to it but to return the adorable little thing to its parents. Like it or not, Bera's gone and found herself a quest. From noted picture book illustrator and graphic novelist Eric Orchard comes a delightful new fantasy adventure with all the sweetness, spookiness, and satisfaction of your favorite childhood bedtime story. FRIENDS IS FRIENDS HC

(W/A/CA) Greg Cook

Friends Is Friends tells the story of complicated friendships through a series of funny, bittersweet vignettes. Greg Cook's deceptively sweet storybook world is imbued with grown-up humor that is both dark and whimsical. The result is a fable for adults, where the only clear moral is this: friendship isn't easy, whether you're a hobo or a snowman or a ghost. *Friends Is Friends* is indie-favorite Greg Cook's first major work in over a decade. This long-awaited tragicomedy is a great standalone work for both new and established graphic novel readers. NVRLND(Neverland) is a dark and magical re-imagining of PETER PAN set in the present-day landscape of Hollywood. Wallflower turned wild child Wendy Darling befriends the fiery Tiger Lily and falls into the music rave scene of the underground club NVRLND. Intoxicated by the music Wendy falls for the enigmatic Peter, lead singer of the band The Lost Boys. Peter is everything a girl could desire: handsome, daring and reckless. Wendy discovers that Peter is mixed up with the mysterious tattoo artist James Hook, who preys upon the young who flock to Peter, "hooking" them on the new designer drug, Pixie Dust.

You think you may know the truth about NVRLND but the truth is you know nothing. NVRLND is a story for anyone who never wants to grow up...but may not live long enough to have a choice.

Anda loves *Coarsegold Online*, the massively-multiplayer role playing game that she spends most of her free time on. It's a place where she can be a leader, a fighter, a hero. It's a place where she can meet people from all over the world, and make friends. But things become a lot more complicated when Anda befriends a gold farmer — a poor Chinese kid whose avatar in the game illegally collects valuable objects and then sells them to players from developed countries with money to burn. This behavior is strictly against the rules, but Anda soon comes to realize that questions of right and wrong are a lot less straightforward when a someone's real livelihood is at stake. (STK651428)

DARK TALES FROM THE VOKESVERSE #1

Recommended by Trevor Richardson

Neil Vokes has been illustrating horror comics for more than thirty years and was a key player in the underground, black and white comics scene in the 80s. Teaming Vokes' experience as an artist with a group of veteran writers including Robert Tinnell, Todd Livingston, Jack Herman, James Kuhoric, James R. Tuck, and more. *Dark Tales from the Vokesverse #1* will serve as a primer to a shared universe of new horror titles published by American Mythology.

This first issue is a declaration of intent from a publisher that is making retro horror comics new again.

> "In Avatarex, the epic world of living myth collides with the mundane realities and cultural upheavals of contemporary India. What happens when an all-powerful super-being awakens to fight the Last War of the Age - only to discover he's been sent too EARLY for the End Days and must somehow learn to exist in a world that's too small and too frail to survive his presence? How does humanity react to the challenges of such a paragon in our midst? Will Avatarex raise us to his level - or will we drag him down to ours? Can the embodiment of our highest aspirations exist side-by-side with our all-too human failings or will the gulf between what we wish we could be and what we are destroy us?"

RAINA TELGEMEIER: GHOSTS GN

(W/A/CA) Raina Telgemeier

From Raina Telgemeier, the #1 *New York Times*-bestselling, multiple Eisner Award-winning author of *Smile*, *Drama*, and *Sisters!* Catrina and her family are moving to the coast of Northern California because her little sister, Maya, is sick. Cat isn't happy about leaving her friends for Bahía de la Luna, but Maya has cystic fibrosis and will benefit from the cool, salty air that blows in from the sea. As the girls explore their new home, a neighbor lets them in on a secret: There are ghosts in Bahía de la Luna. Maya is determined to meet one, but Cat wants nothing to do with them. As the time of year when ghosts reunite with their loved ones approaches, Cat must figure out how to put aside her fears for her sister's sake — and her own. Callie loves theater. And while she would totally try out for her middle school's production of *Moon Over Mississippi*, she's a terrible singer. Instead she's the set designer for the stage crew, and this year she's determined to create a set worthy of Broadway on a middle-school budget. But how can she, when she doesn't know much about carpentry, ticket sales are down, and the crew members are having trouble working together? Not to mention the onstage and offstage drama that occurs once the actors are chosen, and when two cute brothers enter the picture, things get even crazier! (STK471502)

Raina can't wait to be a big sister. But once Amara is born, things aren't quite how she expected them to be. Amara is cute, but she's also a cranky, grouchy baby, and mostly prefers to play by herself. Their relationship doesn't improve much over the years, but when a baby brother enters the picture and later, something doesn't seem right between their parents, they realize they must figure out how to get along. They are sisters, after all. Raina tells the story of her relationship with her sister, which unfolds during the course of a road trip from their home in San Francisco to a family reunion in Colorado. (STK645525)

(A/CA) Georges Bess

A modern-day spiritual western by the same creative team behind *The White Lama*. When an abandoned baby, sporting a tail, is rescued from a South American rubbish bin by a dwarf transvestite prostitute, you know you're reading a story that only the mad genius of Alexandro Jodorowsky (*The Incal*) could conceive! The child grows up to become Juan Solo, a vicious gangster and political enforcer, whose savagery sees him quickly rise through the ranks. Until his past catches up to him! All 4 volumes collected in one hardcover for the first time. (STK651813) (C: 0-0-1) **NOTE:** Not Available in the UK or India.

THE WHITE LAMA HC

(W) Alejandro Jodorowsky
(A/CA) Georges Bess

Alexandro Jodorowsky (*The Metabarons, The Incal*) partners with artist Georges Bess (*Son Of A Gun*) to tell a tale of mystical adventure, martial arts and spiritual awakenings. Tibet at the end of the 19th century, when the Grand Lama Mipam dies, corruption spreads across the land. Gabriel, the child of white explorers, is raised by natives after his parents' deaths, and is soon chosen as the reincarnation of the Grand Lama. He will have to learn the sacred ways, and defeat his own personal demons, to fend off a great evil and save the country from destruction. (STK635931) **NOTE:** Not Available in the UK or India.

Bestselling author Sarah Fine (*Marked*, *Sanctum*) gives hard-boiled noir a magical edge in this stand-alone four-issue comic book adventure, where crime collides with conjuring in the spellbinding world of her *Reliquary* series. Backed into a corner by the crime boss Conti, Asa must do the gangster's bidding or lose what he cherishes most. That means infiltrating a swank, secret auction and stealing the enchanted objet of honor from an even more dangerous underworld big shot. But with a brutal enforcer standing in his way, Asa will need the quickest wits, fastest fists, and meanest magic to even the odds, get the goods, and stay alive. (STL012263)

Kae is a hardcore *fujoshi*, the type of female manga fan who loves to read stories of handsome boys getting into initimate situations with each other and often "ships" together characters from her favorite titles. However, her fervent passion for manga and anime causes an accident that comes with surprising results. The once homely and overweight fangirl has become an overwhelmingly cute girl who now turns heads everywhere she goes. With her new looks, Kae has caught the attention of a group of handsome boys who all want to date her, but in the end, Kae is still a *fujoshi* at heart, and rather than receive kisses from them, she would get much more enjoyment out of seeing those boys make out with each other. SWEETNESS AND LIGHTNING VOLUME 1 GN

(W/A/CA) Gido Amagakure

An adorable family drama/comedy/cooking manga, *Sweetness and Lightning* will appeal to readers of *Bunny Drop*, *Yotsuba&!* and *Barakamon*. Each chapter ends with a recipe, with detailed illustrated advice on executing modern Japanese cuisine. Teacher Kouhei is a single father who is terrible at cooking. His adorable little daughter Tsumugi barely remembers the cooking of her mother, who's passed away. But, then, the pair comes across a teenage girl eating rice balls and crying (in joy?) at the park. She takes Kouhei and Tsumugi to her mother's restaurant, where they taste their first home-cooked meal in ages. A tribute to the power of food to bind people together. THE WHITE DONKEY: TERMINAL LANCE GN

(W/A/CA) Maximilian Uriarte

This is a story about a Marine, written and illustrated by a Marine, and is the first graphic novel about the war in Iraq from a veteran. A powerful, compulsively page-turning, vivid, and moving tribute to the experience of war and PTSD, *The White Donkey* tells the story of Abe, a young Marine recruit who experiences the ugly, pedestrian, and often meaningless side of military service in rural Iraq. He enlists in hopes of finding that missing something in his life but comes to find out that it's not quite what he expected. Abe gets more than he bargained for when his journey takes him to the middle east in war-torn Iraq. *The White Donkey* explores the experience of being a Marine, as well as the challenges that veterans face upon their return home, and its raw power will leave you in awe. SPOTLIGHT ON

COUSIN JOSEPH HC GN

(W/A/CA) Jules Feiffer

Meet Big Sam Hannigan. Tough, righteous, a man on a mission. Only problem is, it's the wrong mission. Big Sam sees himself as a righteous, truth-seeking patriot, defending the American way, as his Irish immigrant father would have wanted, against a rising tide of left-wing unionism, strikes, and disruption that plague his home town. At the same time he makes monthly, secret overnight trips on behalf of Cousin Joseph, a mysterious man on the phone he has never laid eyes on, to pay off Hollywood producers to ensure that they will film only upbeat films that idealize a mythic America: no warts, no injustice uncorrected, only happy endings. But Sam, himself, is not in for a happy ending, as step by step the secret of his unseen mentor's duplicity is revealed to him. Fast-moving action, violence, and murder in the noir style of pulps and forties films are melded in the satiric, sociopolitical Feifferian style to dig up the buried fearmongering of the past and expose how closely it matches the headlines, happenings, and violence of today. KILL MY MOTHER GN

(W/A/CA) Jules Feiffer

Jules Feiffer's *Kill My Mother* is a loving homage to the pulp-inspired films and comic strips of his youth. Channeling Eisner's *The Spirit*, along with the likes of Hammett, Chandler, Cain, John Huston, and Billy Wilder, and spiced with the deft humor for which Feiffer is renowned, *Kill My Mother* centers on five formidable women from two unrelated families, linked fatefully and fatally by a has-been, hard-drinking private detective. Static-levitation racing has become the most popular — and dangerous — sport of the future, and down-on-his-luck former front-runner Hugo Broyler is about to find out just how dangerous it can be, on and off the track when he takes a transportation gig from a local crimelord. To complicate matters, he suddenly finds himself haunted by the ghost of a former racing rival. Either that or he's going crazy. This volume includes the first full story arc from the hit online series, along with rules for a complete role playing system set within the world of Static Levitation racing, filled with sci-fi world details and concept illustrations from a wealth of top artists from around the world. In the future, robots have been legally granted the right to life. Their intelligence is not artificial, and it may not be the best approximation of a personality. But they reflect all the intricacies of a human mind and personality, only from within a manufactured shell, developing and learning as the rest of us do. They mirror us in all the ways we would want, but also in those ways we would wish to exclude. A tale of teen-angst and romance, through the eyes of a growing 'bot. In addition to the core storyline, this book includes two short interstitial tales that further explore the world of *Re*Pro*Duct*. (STK667194) (C: 0-0-1)

MANOR GROCERY
BY BEN SNAKEPIT

MANOR THREAT: SNAKEPIT COMICS 2013 TO 2015 GN
(W/A/CA) Ben Snakepit
Manor Threat contains three more years of daily diary comics from Ben Snakepit. This episode brings us to the town of Manor (pronounced "MAY-ner"), a suburb of Austin, Texas. Ben buys a house with his wife and adjusts to slow-paced country living. He also turns 40 and gets a new job, and then gets another job. Along the way, he draws a three-panel comic describing each day's events, however dramatic or monotonous. Against that steady march of time, patterns emerge and shift and the result is a meditative, addictive read that captures the humanity of everyday life. (STL012488)

In an equinox, day is as long as night, as if the world found perfect equilibrium between shadow and light, a fleeting equilibrium, similar to the stakes of our human destinies. Segmented into four tableaux for four seasons, unrelated people of all social backgrounds seeking equilibrium cross paths with other solitudes, weaving in and out of one and other's lives, all captivated and tormented by the enigmatic meaning of life. Every season has its visual identity and its individual voice, culminating in summer and, possibly, an answer. *Equinoxes* is a unique ground-breaking work of rare intensity and narrative sensibility by a rising bestselling star of European comics. The charm of Renaud Dillies strikes again: after the mouse of *Bubbles & Gondola*, here is another dreamer, little chick Abelard. To lure pretty Emily, Abelard sees only one solution: to catch the moon for her! So off he goes to America, the country which invented flying machines. Armed with his banjo and his proverb-sharing hat, he launches out on the country roads, meets Gypsies, then Gaston, a grumpy bear with whom he will share a good bit of his way! With this funny animal road-movie where the absurd becomes poetry, Régis Hautière and Renaud Dillies offer us another small jewel. (STK471779) (C: 0-0-1)

On a background of Django Reinhardt, this jewel of poetic fantasy is a fairy tale for all ages with spot on observations about life. Charlie is a mouse who's trying to write but has a block. Writing is a solitary endeavor. A bird named Solitude comes to visit him to keep him company. We're never sure he actually exists but in Charlie's mind, yet he brings him out into the world, dares him to experience the unknown, unblocking his little existence. A drama about the blank page for Charlie who so wants to make the world more beautiful with his writing, we are transported into a tender and moving tale with a twinge of lyrical melancholy yet sweet, warm and ultimately elevating. When the androids became self-aware, they realized they were inferior to humans in one area — the creative arts. Viewing artists as godlike beings, they eliminated 95% of the human race to build a utopian society for their idols. But the logic of their actions was lost on the chosen, and now artists will make war not love. (STL011889)

ANNE OF GREEN BAGELS GN
(W/A/CA) Jon Buller, Susan Schade
On her first day at her new school, Anne is saddled with the nickname Anne of Green Bagels, thanks to the health-food sandwich her grandmother has made her for lunch. Can things get any worse? Already her father has left home to try out his newest crackpot invention, the Pedestrian Mobile Home, and her mother has moved them from New Mexico to the cookie-cutter community of Megatown. Then she meets Otto, who shares her interest in music and in her favorite TV show, *The Blimptons*. Together they prepare to enter the school talent show with an original composition, "Wolfman Stomp." When Anne sees the drawings in a childhood notebook of her father's, she wonders, could it be that he was the real inventor of the Blimptons? And can she somehow get him to come home and claim the credit he deserves? (STL012495) (C: 0-0-1)

MONSTER GIRL ENCYCLOPEDIA VOLUME 1 SC

(W/A/CA) Kenkou Cross

Monster Girl Encyclopedia is a series of highly-detailed, illustrated books that contains one hundred profiles of wickedly lascivious monster girls. Considered by many fans to be the definitive go-to source for sexy monster girls and the worlds they inhabit, *Monster Girl Encyclopedia* includes 240 pages of in-depth bios, one hundred gorgeous full-color illustrations, numerous tantalizing black and white spot illustrations, diagrams, and more. Told from the perspective of a wandering monster girl scholar, these vibrantly illustrated pages teach us about sensual elves, dwarves, succubi, centaurs, mermaids, and much, much more, like you've never seen them before. LORD MARKSMAN AND VANADIS VOLUME 1 GN

(W) Tsukasa Kawaguchi
(A/CA) Nobuhiko Yanai

The country of Zhcted is ruled by seven women known as the Vanadis, a group of warriors who are given powerful weapons and dominion over the country's seven territories. Taking advantage of its neighboring nations' civil unrest, Zhcted goes to war against the country of Brune. In a battle that decimates Brune's army, the brave, young Brune nobleman Tigrevurmund Vorn meets the beautiful Eleonora Viltaria, one of the Vanadis. Impressed with his skill as an archer, Elen allows Tigre to live in exchange for his servitude. But the battle is far from over, and extends further than either of them could have imagined. Tigre and his new mistress become caught in the middle of a plot that threatens not only their homelands, but the entire world. (STL011705) (C: 0-1-0)

NON NON BIYORI VOLUME 5 GN

(W/A/CA) Atto

Welcome to the countryside village of Asahigaoka, a quaint town far removed from the hustle-and-bustle of the big city. You couldn't imagine a more isolated setting in all of Japan. So when Tokyo-raised elementary school student Hotaru Ichijo transfers to the tiny Asahigaoka Branch School due to her father's job, she's in for the culture shock of her life! Join Hotaru and her new friends, the eccentric Renge and the mischievous sisters Natsumi and Komari, as they share daily adventures in the idyllic Japanese countryside. (STL011700) (C: 0-1-0)

Yuma and Hotaru have been friends since childhood. It is only natural that when Yuma is nervous about her new boyfriend, she asks Hotaru along with her boyfriend for a double date. But when Hotaru offers herself to Yuma as "practice," both girls realize that they're more interested in each other than they are in their own boyfriends. With boyfriends in the foreground but a secret, passionate tryst in the background, will Yuma and Hotaru try to forget what happened between them or have they fallen into a trap of true love and betrayal? RACHEL RISING OMNIBUS HARDCOVER

Recommended by Steven Leaf

It's no secret I've been a fan of Terry Moore going back to the debut of *Strangers in Paradise*. Terry has proven to be adept at making the characters and situations in his stories relatable, from self-awareness and being yourself in *Strangers in Paradise* to rising to the occasion in science-fiction in *Echo* to the supernatural world in *Rachel Rising*. In all of these stories the situations and characters become believable and make for compelling reading.

Almost five years after Abstract Studios introduced us to *Rachel Rising* and its new cast of characters, it's now all wrapped up in a nice & pretty hardcover package.

In this hardcover omnibus edition we see the complete story of Rachel's rise from the grave to track down her own murderer. With the help of a 10-year old serial killer carrying the remains of Satan's sword and a sister who is literally the first woman to ever exist, Rachel uncovers the wicked secrets of small town Manson and its terrible role in earth's final days. Will Rachel learn from her past in time to save the future?

Terry Moore has proven himself to us over the years writing romance, crime, science fiction, supreme super heroics, and runaway mutant teen angst, showing us how suspense and horror should be done. The *Rachel Rising Omnibus* edition from Abstract Studio makes a fine addition on your bookshelves right next to the *Strangers in Paradise* slip-cased edition and the Complete *Echo* omnibus.

Elizabeth Bennett is the second of five daughters in her tight-knit English family. When the wealthy and sociable bachelor Mr. Bingley moves into town, Elizabeth's Mother sees a fresh opportunity to find her daughters a respectable and supportive husband. Sharp-tongued and smart-witted, Elizabeth doesn't share her family's enthusiasm, a sentiment only furthered by the arrival of Mr. Bingley's incorrigible friend, Mr. Darcy. (STL011712) (C: 0-1-0)

ILLUSTRATED BY AKIKO SHIMOJIMA

BUSHIDO: THE SOUL OF THE SAMURAI GN
(W) Sean Michael Wilson
(A/CA) Akiko Shimojima
Bushido: The Soul of the Samurai, first published in 1905, is the classic introduction to samurai culture. Written by Inazo Nitobe, one of the foremost Japanese authors and educators of the time, this was the first book to explain samurai culture to Westerners in a way that was relatable. Nitobe described characteristics or virtues that are associated with bushido — honor, courage, justice, loyalty, self-control — and explained the philosophy behind how samurai were educated and trained; the connection between the sword and the samurai; ritual suicide; and the position of women in samurai culture. To this day, it's considered a must-read for understanding "the soul of Japan" and the samurai ethos. This graphic novel revitalizes this classic book, bringing this groundbreaking work to a new audience. (STL011793) (C: 0-1-0)

Super-intelligent hairy beach balls suddenly appear from another universe. It's pretty weird. That's what old codger Billy Morton thinks when "Louie" lands in his fishing boat and follows him home. His family come quickly to love this playful alien, but when Louie starts using their computer to hack into government and corporate accounts, learn all that the NSA knows, and steal millions from banks, they realize that Louie and his friends mean trouble. In the darkness of a underground cave, blind creatures hunt by sound. Then there is light, voices, and they feed. Swarming from their prison, the creatures thrive; to whisper is to summon death. As the hordes lay waste to Europe, a girl watches to see if they will cross the sea. Deaf for years, she knows how to live in silence; now, it is her family's only chance of survival. To leave their home, to shun others. But what kind of world will be left? (STL011873) (C: 0-1-0)

The official novelization of the eagerly anticipated blockbuster film, written and directed by David Ayer and based on DC Comics' *Suicide Squad*. It feels good to be bad! Assemble a team of the world's most dangerous, incarcerated supervillains, provide them with the most powerful arsenal at the government's disposal, and send them off on a mission to defeat an enigmatic, insuperable entity. U.S intelligence officer Amanda Waller has determined only a secretly convened group of disparate, despicable individuals with next to nothing to lose will do. However, once they realize they weren't picked to succeed but chosen for their patent culpability when they inevitably fail, will the Suicide Squad resolve to die trying, or decide it's every man for himself? O/A AL PLASTINO: LAST SUPERMAN STANDING SC

(W) Eddie Zeno
Al Plastino was one of the last surviving penciler/inkers of the Golden Age. Laboring uncredited on *Superman* for two decades (1948-1968), he co-created Supergirl, Brainiac, and the Legion of Super-Heroes, drawing those characters' first appearances, and illustrating the initial comics story to feature Kryptonite. With a foreword by Paul Levitz, this book was completed just weeks before Al's recent passing. In these pages, the artist remembers both his struggles and triumphs in the world of comics, cartooning and beyond, painting a layered portrait of Plastino's life and career. And a wealth of illustrations show just how influential a figure he is in the history of comics. (STK697938)

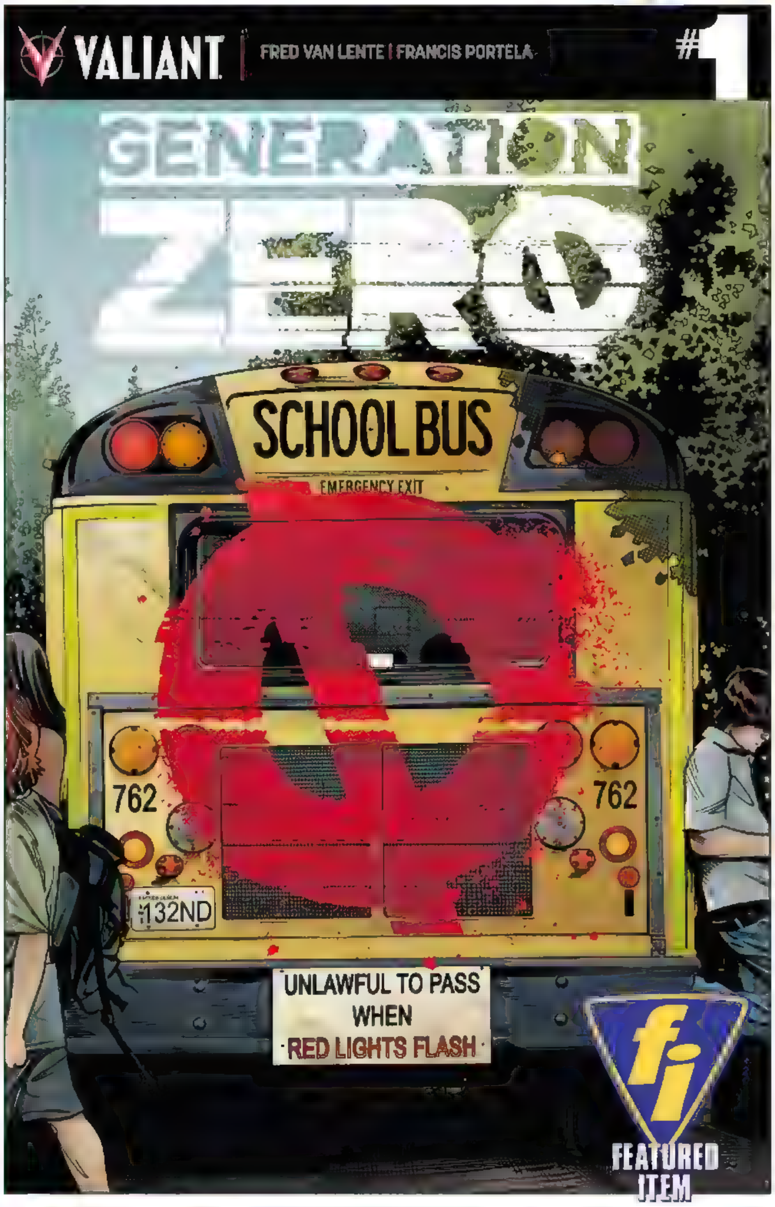
GENERATION ZERO #1

FEATURED ITEM



A NEW ONGOING SERIES!

FROM NEW YORK TIMES BEST-SELLING WRITER

FRED VAN LENTE

(ARCHER & ARMSTRONG)

AND BLOCKBUSTER ARTIST

FRANCIS PORTELA

(FAITH)

Because you demanded it! Exploding out of the pages of HARBINGER WARS comes AN ALL-NEW ONGOING SERIES starring GENERATION ZERO from New York Times best-selling writer Fred Van Lente (ARCHER & ARMSTRONG, IVAR, TIMEWALKER) and blockbuster artist Francis Portela (FAITH)!

If you have a problem... If your parents won't help... And if your cause is worthy... Log onto network #ZERO...because Generation Zero is listening.

Years ago, the children of the experimental strike team known as Generation Zero were taken from their families by Project Rising Spirit, a private weapons contractor, and raised to be psychic soldiers. After years of taking orders, they have fought for and won their freedom. Now, the world's most wanted teenagers have pledged to protect each other tooth and claw, while using their extraordinary abilities to right wrongs for a generation without a future... To fight for kids, just like them.

One of those kids is Keisha Sherman, whose boyfriend just turned up dead after a suspicious car crash in Rook, Michigan – a newly booming tech town that sprang from rags to super-riches seemingly overnight. When Keisha makes a desperate plea into her webcam, the local high school suddenly finds itself with several unusual new students... But as word of Generation Zero's presence spreads rapidly through the halls, this volatile band of teenage upstarts is about to discover that they're far from the most extraordinary thing lurking behind Rook's stainless-steel facade..

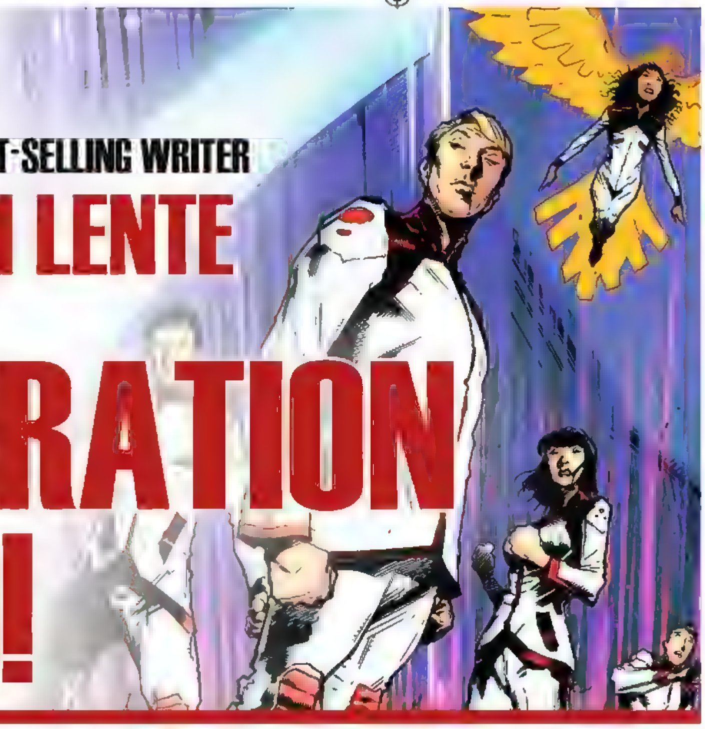
DEBRIEFS

GENERATION ZERO!



Who are Generation Zero, and what makes them special?

FRED VAN LENTE: Generation Zero were child superheroes raised as human weapons by a shadowy military contractor. But when they became teenagers, they escaped and are now roaming the countryside, avenging and defending kids in trouble...assuming those kids can get in touch with them, that is.

Why is now the right time to tell Generation Zero's story?

FVL: It's a very exciting time in the market, where a diverse audience is embracing diverse casts and diverse stories more than ever before. This definitely is a different sort of teen hero book. It's much darker than usual, with a murder mystery, sex, drugs, and rock and roll. Think *The Authority* meets *Archie*.

This is the first team book you've ever written for Valiant. What's it like writing an ensemble, and what have you enjoyed so far?

FVL: Team books are tricky. You want to give everyone a distinct voice and keep characters from just being vessels for banter. Fortunately, Joshua Dysart and Clayton Henry already created a great bunch of distinct characters in HARBINGER WARS who are fun to work with.

Who are the core team members of Generation Zero, and what does each member bring to the table?

FVL: Cronus, the team leader, basically embodies the team ethos–tough and taciturn, but the kind of person who inspires intense loyalty in the people around him.

In many ways, the main character of the book is the "normal" girl, Keisha Sherman, who summons Generation Zero to Rook, Michigan when she finds some shady goings-on there that threaten to overwhelm her and her family.

She kind of falls for Cronus, much to the annoyance of Telic, Cronus' second in command. She claims she's just interested in keeping everyone focused on the mission. But there may be something else going on there...

Animalia is a fan favorite, and a big favorite of mine. I like what Josh and Clayton did with her in HARBINGER WARS, but I'm taking it in a different direction, where she's older and now feels embarrassed by transforming into "kiddie stuff." She's gotten into anime now. Expect a lot of *Attack on Titan* references.

The series finds the team in the middle of Michigan. What brings them there, and what does the locale add to the story?

FVL: Keisha's town, Rook, mysteriously transformed from a depressed rust belt community in nowheresville to a cutting edge, tech utopia practically overnight. And the town elders are not inclined to say why. People – particularly teenagers – who question the adult's silence get equally mysterious personality transformations. Keisha's boyfriend thought he figured it out, but he (finger quotes) "killed himself" before he could tell her what. Now Keisha has called in Generation Zero to solve the mystery. Which they will, kicking the ass of anyone who gets in their way...

The first arc of Generation Zero is called "We Are the Future." What does that title convey about the story's arc, the characters, and the series as a whole?

FVL: It exemplifies, to me, Generation Zero's militant attitude: We are the future. You are the past. Get on board, or get out of the way, because otherwise we are going right through you. Like the future, they're a little scary and unpredictable. I jokingly told my wife this series should really be called David Cronenberg's *Archie*. When you summon them, you don't know quite what you've unleashed – and Keisha is going to learn that the hard way.

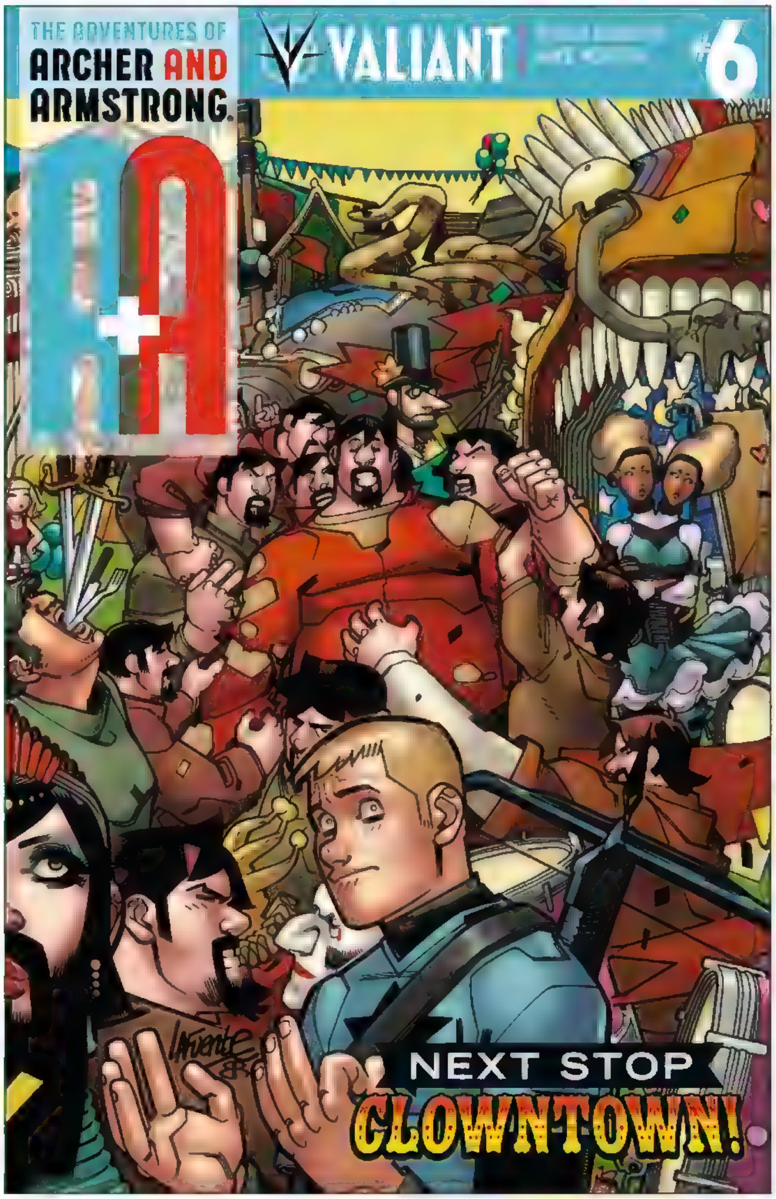
(REVIVAL)



Archer and Armstrong and Davey the Mackerel are joining the circus for "NEXT STOP CLOWNTOWN"!

Archer and Armstrong are on the hunt for Armstrong's long-lost wife, and the clues have put them on the trail of America's craziest traveling circus! But it's not just clowns, carnies, and strongmen lurking under the big top... When the world's premier adventure duo discover dozens of mutated Armstrong doppelgängers secretly running the show, all heck is bound to break loose! And it's only going to get worse when Davey the Mackerel returns with a shocking new set of secrets about Armstrong's bottomless satchel...and what else might be soon plotting its escape!

Mad science meets the midway when red-hot writer Rafer Roberts (*Plastic Farm*) and Eisner Award-winning artist Mike Norton (*Revival*) toss Archer & Armstrong into the wildest show on Earth with a perfect new jumping-on point in "NEXT STOP CLOWNTOWN"!

GET SMASHED...OR BE SMASHED!

Archer is about to set off on his most dangerous mission yet - a quest into the mystic reaches of Armstrong's bottomless satchel to liberate his friend and comrade from the clutches of the mad god Bacchus!

Imprisoned in Armstrong's satchel for centuries, Bacchus now commands a legion of monsters, goblins and golems bent on escaping back into the world of man and enacting revenge on their captor... Can Archer single-handedly combat the godly embodiment of intoxication himself - and rescue his best buddy - without becoming lost amongst Armstrong's endless repository of bizarre artifacts and historical oddities in the process?

The fall of the 41st century!

The ultimate battle is here as Rai and Father clash among the stars for the final fate of the future...and Earth along with it! As New Japan's despotic ruler and its former protector enter their final showdown, will the orbiting satellite nation finally fall back to Earth? As the war for 4001 A.D. claims lives on both sides, who will live to greet the brave new world that lies ahead? And what will become of Rai, of Father, and civilization itself? The Valiant Universe of 4001 A.D. is forever changed right here as forces new and old prepare to rise from the ashes of New Japan!

New York Times best-selling writer Matt Kindt (DIVINITY II) and superstar artist Clayton Crain (RAI) present the white-hot finale to Valiant's biggest event yet!

WAR MOTHER
#1

A MAJOR NEW HERO!

FROM NEW YORK TIMES BEST-SELLING WRITER

FRED VAN LENTE

(GENERATION ZERO)

AND EXPLOSIVE ARTIST

TOMÁS GIORELLO

(CONAN)

Witness the battle-scarred debut of Valiant's top-secret new hero! As the war for 4001 A.D. rages, the coming of War Mother starts now in an all-new stand-alone adventure torn from the pages of the summer's biggest comics event!

In the 41st century, much of the planet has been reduced to a barren wasteland. New Japan orbits the Earth as a floating oasis that towers over the ashes of the old world. The survivors of this desolate new age, robbed of the planet's once-lush natural resources, must endure great hardships to survive. Amidst the devastation, one outpost of scientific knowledge has thrived by adhering to a strict code of isolation. But even the denizens of this walled city must venture out into the wasteland to gather supplies from the remnants of what was. This task is designated to one and one alone: War Mother.

But all is not peaceful, even in New Japan. When the space-faring empire begins jettisoning city-sized sectors to Earth during the onset of a civil war, War Mother is called upon with a new mission: mega-salvage! Armed with a newly born sentient sniper rifle, War Mother is a one-woman army bent on sacking the crash-landed sector's technology-laden debris for anything of value to her tribe. But, as calm turns to chaos, Sector 8146 will reveal a telling secret about Earth's true order that will collide War Mother against her community, her code, and her calling...and bring destruction down upon one of humanity's last surviving outposts of order.

Out of the ashes of the summer's most ambitious crossover event, New York Times best-selling writer Fred Van Lente (GENERATION ZERO) and spectacular rising star Tomás Giorello (Conan) introduce the Valiant Universe to the boldest new hero of this century or the next when War Mother makes her history-shattering debut!

4001 A.D. TIE-IN! Rai locked in fatal combat against...the true protector of New Japan?

As New Japan's current protector, Aboto, slips beyond Father's control, nothing can stop the unhinged warrior from destroying the orbiting nation from the inside out. To defeat this monster of his own making, Father must create his last and greatest Rai! But when Father's fallen son and newest champion clash in the streets of their sovereign nation, what dark information will Aboto bring into the light of day... and how will it fuel the flames of rebellion that await in the year 4001 A.D.?

The future as we know it takes its final horrifying shape here as 4001 A.D. mastermind Matt Kindt and fan-favorite artist CAFU reveal the final puzzle piece behind Valiant's summer blockbuster event!

ALL-NEW ARC! ALL-NEW JUMPING-ON POINT! "THE FIST AND THE STEEL" starts now!

Many years from now, Earth's immortal master of war and the world's deadliest intelligence operative fight side by side. As was foretold in the BOOK OF DEATH, an aging Ninjak and Eternal Warrior are fated to spend their days as humanity's guardians, protecting it from the myriad threats that loom over the horizon of Earth's future. But when the ultimate menace rises to obliterate all traces of life, can Colin King and Gilad Anni-Padda - Ninjak and the Eternal Warrior - cement their status as the Valiant Universe's greatest heroic duo...or will their legacy go up in flames?

Plus: Back in the present, the unthinkable has happened to Ninjak and his fellow MI-6 agents that survived the horrors of the Deadside! Infected with an aggressive and lethal cancer from his exposure to a noxious parallel dimension, Ninjak must race against the clock for a cure before he makes a permanent trip to the realm of the dead!

Jump on board the steel-shattering adventures of Valiant's number-one super-spy here as New York Times best-selling writer Matt Kindt (4001 A.D.) and explosive artists Khari Evans (IMPERIUM) and Andres Guinaldo (*Justice League Dark*) read from the BOOK OF DEATH...and bring the full weight of the future crashing down on Ninjak and the Eternal Warrior!

HARDCORE AKAN #1

Recommended by Jonathan McKinney

As far as action movies go, no movie is more jaw-clenchingly extreme than Hardcore Henry. Filmed from the first-person perspective, Hardcore Henry is recognized for its different approach to the genre. That different approach also led to leaving many details a mystery regarding the main antagonist, Akan.

Hardcore Akan #1 winds the clock back to tell Akan's story. In this official prequel written by the film's director, Ilya Naishuller along with Brian Phillipson and Will Stewart, readers are served an origin story littered with hints towards the overall picture presented in the movie. Akan is fleshed out with detail that did not make it into the final cut, but can also be read without any prior story knowledge. However, if you've seen the movie, you'll be rewarded with additional content!

What *really* happened on that ill-fated day in Chernobyl, 1986? How did Akan get special abilities, and what led him to become the powerful warlord with an army at his disposal? All is answered in-between the pages of *Hardcore Akan #1* from Bliss On Tap.

With the repairs to his dingy one-bedroom apartment completed, Maou needs a new TV, so the Devil's going digital! The trouble is, Maou and Ashiya don't know the first thing about flat-screens, so they bring Emi's friend Rika along with them to the local big-box electronics outlet. For some reason, Suzuno ends up coming along, and it turns into a shopping tour with the whole gang! THE IRREGULAR AT MAGIC HIGH SCHOOL VOLUME 2 LIGHT NOVEL SC

(W) Tsutomu Satou (A/CA) Kana Ishida

Tatsuya and Miyuki Shiba are brother and sister, but they share a bond that transcends mere blood relation. Despite the fact that they're siblings who attend the same school, their lot in life couldn't be more different. Miyuki's a Bloom, one of the elite students of Magic High, while Tatsuya's a Weed, with low expectations and even lower levels of respect. But having skillfully diffused a tense situation, Tatsuya finds himself recruited by the school's disciplinary committee and soon discovers there's more to Magic High than he realized! SWORD ART ONLINE VOLUME 8: EARLY AND LATE NOVEL SC

(W) Reki Kawahara
(A/CA) Tsubasa Hazuki

The saga of *Sword Art Online* continues with three side stories set during the *Aincrad* and *Alfheim* eras. The game of death took its toll on every player in a different way—when one turns up dead on the fifty-seventh floor, the game's afoot, and it's up to Asuna and Kirito to crack the case. There's also the story of how Kirito got his Excalibur sword in Alfheim (with a little help from his friends). And when the game of death first began, Kirito learned a difficult lesson — one he would never forget! BAD DADS: ART INSPIRED BY THE FILMS OF WES ANDERSON HC
The third volume in the *New York Times*-bestselling *Wes Anderson Collection* series showcases the best artwork from "Bad Dads," an annual exhibition of art inspired by the films of Wes Anderson. Curated by Spoke Art Gallery in San Francisco, "Bad Dads" has continued to grow and progress as a dynamic group exhibition since its inaugural show in 2011, and has featured work from more than 400 artists from around the world. Those artworks range from paintings to sculptures to limited-edition screen prints and vary greatly in style, making for a diverse and lively show each year. The book features an original cover by graphic artist Max Dalton, a foreword by writer and director Wes Anderson himself, and an introduction by TV and movie critic Matt Zoller Seitz. CARBON 2
MARK SCHULTZ

MARK SCHULTZ: CARBON 2 SC
(W/A/CA) Mark Schultz
Carbon 2 follows its predecessor by three years, and in those years Mark Schultz's work has become something more solid, and at times almost sculptural, as he continues to refine his attempts to put to paper the visions he sees in his head. Of course there are plenty of lovely warrior women, including more in the Pulpette series, as well as portraits of his *Xenozoic* characters, Hannah Dundee and Jack Tenrec, negotiating dire straits. There is also sword and sorcery, ancient mythic tableaus, and otherworldly science fiction to satisfy the most diverse tastes. And there are preliminaries and rejected pieces from *Storms at Sea*, and, (spoiler alert) design work and character studies from Mark's new in-progress *Xenozoic* graphic novel. Qua hoon! MARK SCHULTZ: CARBON SC
(W/A/CA) Mark Schultz
The element carbon, common yet versatile, is the binder at the base of life on Earth as well as the source of the rich blacks that run through Mark Schultz's drawings. Similarly, the book *Carbon* binds an astonishing array of illustrative art rendered in brush and ink, graphite and carbon pencil, and it also introduces more color than ever before through the artist's increased experimentation with watercolor as an atmospheric element. 41 ILLUSTRATORS & HOW THEY WORKED
by Fred Taraba

MASTERS OF AMERICAN ILLUSTRATION HC (2ND EDITION)
(W) Fred Taraba (A) Various
From 1989 to 2001, author Fred Taraba was a regular contributor to the popular graphic arts magazine *Step-By-Step Graphics*. His column, "Methods of the Masters," documented the lives and working methods of some of America's finest Golden Age illustrators. This book compiles those 41 classic articles, which have been extensively reworked and revised with completely new artwork especially prepared for this volume. This book is a showcase for hundreds of reproductions of original paintings, photographs and vintage printed ephemeral materials. SEX AND HORROR: THE ART OF ALESSANDRO BIFFIGNANDI SC

Between the late 1960s and the late 1980s, Italy went crazy for "sexy fumetti," a home-grown genre of adult comics with a unique brand of twisted humor, violence, and up-front sexuality. One of the most talented and prolific of the cover artists at Edifumetto, the foremost Italian producer of adult comics during this period, was Alessandro Biffignandi, whose work featured horror, fantasy, and sci-fi elements alongside plenty of naked female flesh. This book is a collection of some of the sexiest examples of Biffigandi's cover art for Edifumetto, which is highly coveted by collectors today. (STL012428) (C: 0-1-0)

ALVARADO'S ALL-AMERICAN GIRLS

ALVARADO'S ALL-AMERICAN GIRLS HC

(W/A/CA) Robert Alvarado
Pop culture phenomena from the '80s and '90s, homages to Alberto Vargas and other classic pinup illustrations, and contemporary fashions and fetishes combine to form an exciting collection of modern pinups. Tributes to *Baywatch*, *Rambo*, *Star Wars*, Jessica Rabbit, and more late-20th century cultural references are included. This collection of over-the-top Americana also features standouts from Alvarado's Redneck Pinup series. Alvarado's belief is that it's all about the model; her image and pose are the most important elements in a composition, and he draws the viewer's attention to the models by employing a plain white background in many images. THE COMICS OF HERGÉ: WHEN THE LINES ARE NOT SO CLEAR HC

(A/CA) Herge
As the creator of *Tintin*, Hergé (1907-1983) remains one of the most important and influential figures in the history of comics. This volume shows how his life and art turned out much more complicated than his method. The book opens with Hergé's aesthetic techniques, including analyses of his efforts to comprehend and represent absence and the rhythm of mundaneness between panels of action. The next section considers the fraught lines between high and low art. A final section considers how the clear line style has been reinterpreted around the world. With contributors from five continents drawing on a variety of critical methods, this volume's range will shape the study of Hergé for many years to come. (STL011983) (C: 0-1-0)

Forging the Past
Seth and the Art of Memory
Daniel Marrone

FORGING THE PAST: SETH AND THE ART OF MEMORY HC

(W) Daniel Marrone (A/CA) Seth
At once familiar and hard to place, the work of acclaimed Canadian cartoonist Seth evokes a world that no longer exists — and perhaps never existed, except in the panels of long-forgotten comics. Seth's distinctive drawing style strikingly recalls a bygone era of cartooning, an apt vehicle for melancholy, gently ironic narratives that depict the grip of the past on the present. *Forging the Past* offers a comprehensive account of this work and the complex interventions it makes into the past. Seth's comics are suffused with longing for the past, but on close examination this longing is revealed to be deeply ambivalent, ironic, and self-aware. (STL011993) (C: 0-1-0)

Perfect for old fans and new readers alike, *High Stakes* delves deeper into the world of aces, jokers, and the hard-boiled men and women of the Fort Freak police precinct in a pulpy, page-turning novel of superheroics and Lovecraftian horror. Officer Francis Black of Fort Freak, vigilante joker Marcus "The Infamous Black Tongue" Morgan, and ace thief Mollie "Tesseract" Stuenenberg get stuck in Talas, Kyrgyzstan. There, the coldblooded Baba Yaga forces jokers into an illegal fighting ring, but her hidden agenda is much darker: her fighters' deaths serve to placate a vicious monster from another dimension! A TOUR OF FABLETOWN: PATTERNS AND PLOTS IN BILL WILLINGHAM'S FABLES

(W) Neta Gordon

Bill Willingham's *Fables* imagined the lives of fairy tale figures — Snow White, the Big Bad Wolf, Cinderella and the ubiquitous Prince Charming, among many others — as they made new lives for themselves in modern-day New York City. This study, the first about the sprawling, complex series, discusses such topics as *Fables'* status as a contemporary adaptation of folk and fairy tales; its use of conventional genres like sword-and-sorcery, crime and romance; its portrayal of social and political relationships; and its self-referential moments. The author explores how Fables portrays redemption, the function of community, and how our hopes and fears influence our ideal of "happily ever after." DOCTOR WHO: IN THE BLOOD HC

(W) Jenny T. Colgan

A thrilling new *Doctor Who* adventure! Can the Tenth Doctor and Donna save the world from a mysterious sickness — spreading through the internet — before it's too late? All over the world, people are 'ghosting' each other on social media. Dropping their friends, giving vent to their hatred, and everywhere behaving with incredible cruelty. Even Donna has found that her friend Hettie, with her seemingly perfect life and fancy house, has "unfriended" her. And now, all over the world, internet trolls are dying... As more and more people give in to this wave of bitterness and aggression, it's clear this is no simple case of modern living. This is unkindness as a plague. From the streets of London to the web cafes of South Korea and the deepest darkest forests of Rio, can the Doctor and Donna find the cause of this unhappiness before it's too late? Publication of this all-new novel coincides with David Tennant and Catherine Tate reprising their *Doctor Who* roles in three Big Finish audio dramas — also offered in this month's ***PREVIEWS***! CURIODDITY HC NOVEL

(W) Paul Jenkins
New York Times-bestselling graphic novel writer Paul Jenkins debuts with a novel that is a cross between Neil Gaiman's *Neverwhere* and Mr. Penumbra's *24-Hour Bookstore*. Will Morgan is a creature of habit, a low-budget insurance detective who walks to and from work with the flow of one-way traffic, and for whom imagination is a thing of the distant past. When a job opportunity enters the frame in the form of the mysterious Mr. Dinsdale, curator of the ever so slightly less-than-impressive Curioddity Museum, Will reluctantly accepts the task of finding a missing box of levity (the opposite of gravity). What he soon learns, however, is that there is another world out there — a world of magic we can only see by learning to un-look at things — and in this world there are people who want to close the Curioddity museum down. With the help of his eccentric new girlfriend Lucy, Will will do everything he can to deliver on his promise to help Mr. Dinsdale keep the Curioddity Museum in business. (STL011740) (C: 0-1-0)

BUCK ROGERS
IN THE 25TH CENTURY
A TV COMPANION
By Patrick Jankiewicz
Foreword by Erin Gray

BUCK ROGERS IN THE 25TH CENTURY: A TV COMPANION SC

Buck Rogers in the 25th Century (1979-1981) premiered on American television in September 1979. The story followed a twentieth century astronaut revived after 500 years of suspended animation to become Earth's greatest hero. Created by Glen A. Larson and Leslie Stevens, the new series starred Gil Gerard, Erin Gray, and Felix Silla. Gerard looked to the past to prepare for his future production. He hit on the idea of recycling artifacts into a less showy series that premiered to the delight of audiences. Join Buck and the galaxy's most beautiful women in a richly researched work that soars at light speed beyond other *Buck Rogers* books. (STL012427) (C: 0-1-0)

MARVEL COMICS into FILM
ESSAYS on ADAPTATIONS Since the 1940s
Edited by Matthew J. McEniry, Robert Moses Peaslee and Robert G. Weiner

MARVEL COMICS INTO FILM: ESSAYS ON ADAPTATIONS SINCE THE 1940S

Marvel Studios' approach to its Cinematic Universe, beginning with the release of *Iron Man* (2008), has become the template for successful management of blockbuster film properties. Yet films featuring Marvel characters can be traced back to the 1940s, when the *Captain America* serial first appeared on the screen. This collection of new essays is the first to explore the historical, textual and cultural context of the larger cinematic Marvel universe, including serials, animated films, television movies, non-U.S. versions of Marvel characters, films that feature characters licensed by Marvel, and the contemporary Cinematic Universe as conceived by Kevin Feige and Marvel Studios. THE KAIJU FILM: A CRITICAL STUDY OF CINEMA'S BIGGEST MONSTERS

(W) Jason Barr

The *Kaiju* (strange monster or strange beast) film genre has a number of themes that go well beyond the "big monsters stomping on cities" motif. Since the seminal *King Kong* (1933) and the archetypal *Godzilla* (1954), kaiju has mined the subject matter of science run amok, militarism, capitalism, colonialism, consumerism and pollution. This critical examination of kaiju considers the entirety of the genre—the major franchises, along with less well known films like *Kronos* (1957), *Monsters* (2010), and *Pacific Rim* (2013). The author examines how *kaiju* has crossed cultures from its original folkloric inspirations in both the U.S. and Japan and how the genre continues to reflect national values to audiences. (W) Ransom Riggs

A mysterious island. An abandoned orphanage. And a strange collection of very curious photographs. It all waits to be discovered in *Miss Peregrine's Home for Peculiar Children*, an unforgettable novel that mixes fiction and photography in a thrilling reading experience. An horrific family tragedy sets sixteen-year-old Jacob journeying to a remote island off the coast of Wales, where he discovers the crumbling ruins of Miss Peregrine's Home for Peculiar Children. As Jacob explores its abandoned bedrooms and hallways, it becomes clear that the children who once lived here were more than just peculiar. They may have been dangerous. They may have been quarantined on a desolate island for good reason. And somehow — impossible though it seems — they may still be alive. (STL012159) (C: 0-1-0)

SUICIDE SQUAD: BEHIND THE SCENES WITH THE WORST HEROES EVER HC

It feels good to be bad! Assemble a team of the world's most dangerous, incarcerated super-villains, provide them with the most powerful arsenal at the government's disposal, and send them off on a mission to defeat an enigmatic, unstoppable entity. U.S. intelligence officer Amanda Waller has determined only a secretly convened group of disparate, despicable individuals with next to nothing to lose will do. However, once they realize they weren't picked to succeed but chosen for their patent culpability when they inevitably fail, will the Suicide Squad resolve to die trying, or decide it's every man for himself? TELEVISION'S FEMALE SPIES AND CRIMEFIGHTERS

(W) Ann Romano

Emma Peel wearing her "kinky boots." Amanda King and her poppy seed cake. Julie Barnes at her hippie pad. Honey West with her pet ocelot. Television's female spies and crimefighters make quite an impression, yet there hasn't been a reference book devoted to them until now. This encyclopedic work covers 350 female spies, private investigators, amateur sleuths, police detectives, federal agents and crime-fighting superheroes who have appeared in more than 250 series since the 1950s, with an emphasis on lead or noteworthy characters. Alice Through the Looking Glass Gallery PVC Figures

A Diamond Select Toys release! Gallery figures just went through the looking glass! Based on the new big-screen sequel to Alice in Wonderland, Alice Kingsleigh and the Mad Hatter are now featured in the hot new Gallery figure line from DST, capturing heroes and heroines from the world of pop culture as 9-inch scale PVC statues! Each 9-inch figure features high-quality paint applications, and each stands atop a sculpted base made out of clock gears – interlock the two bases to form one combined diorama! Each figure comes packaged in a full-color window box. Sculpted by Gentle Giant Studios!

SHI IN KIMONO 1/6-SCALE COLLECTOR FIGURE (US VERSION)

Born of an American mother and raised a Catholic, Ana Ishikawa is a conscripted outcast of the Kyoto *sohei*, a renegade from a society of renegades. Trained from childhood and drafted for war by her paternal grandfather Yoshitora, Ana assumes the guise of death incarnate, *Shi*, to avenge the death of her father and brother against the yakuza oyabun, Masahiro Arashi. Today, Ana attempts uphold a white banner in a tri-color war waged across oceans, across time. Through creator Billy Tucci's Crusade Fine Arts, the multi-Eisner Award-nominated Shi has been printed in five languages and has sold more than 3 million comic books worldwide. The Shi figure features 2 head sculpts, a Phicen flexible seamless body with stainless steel skeleton, 6 interchangeable hands, a neck strap, 2 samurai swords (1 long, 1 short) with sheathes, a pair of handrakes, a long knife & sheath, a tool rest, 2 hair pins, a throwing star, a display pedestal, a traditional kimono outfit with long sleeves and a pair of shoes. O/A HELLBOY: THE FIRST HELLBOY STATUE

In 1991, comic artist and writer Mike Mignola did a Black & White illustration at a comic convention of a demon character that bore the name "Hellboy" on his belt. This was the genesis of the filed-horned fighter of the supernatural known and loved today. Mondo is excited to bring the original concept to life with a 12" statue showcasing all the strange and fun details of the original drawing. In addition to all the sculpted details, original Hellboy colorist Dave Stewart was enlisted to design the color scheme for the piece. LA MUERTA 1/6 SCALE ACTION FIGURE

La Muerta is the story Maria Diaz, a US soldier returning from a tour of duty in Afghanistan to be reunited with her family on Dia de los Muertos, the Day of the Dead. But her brother has fallen in with The Zavalas, a death-worshipping crime cartel led by the nefarious Mama Z. When they see the family celebrating, they believe they've been ripped off by them. The entire family is murdered in cold blood. Maria wakes out of a coma months later to find her family dead and gone. She seeks justice from the police, but she finds none: they are all in league with the crime cult. Daring the impossible, Maria – aided by the mysterious Faustino – decides to avenge her family and send the Zavala's to hell, even at the cost of her own humanity. This officially licensed figure recreates the character as a 1/6-scale action figure complete with accessories and display base! POWER OF THE VALKYRIE 1/6-SCALE ACTION FIGURE

What power lies within the Sword? From the halls of Asgard comes the Elysicual blade, a weapon of mystic might equal to the hammer of Thor. Susan was already a fighter in her own right, but as a nurse, she fights to save lives. Now as the dark forces of the Trickster God Loki draw ready for a war, Susan suddenly finds herself learning to unleash the warrior within, and to control a power that will affect the fate of two worlds. Inspired by the timeless tales of courage and battle of the Norse Myths, comes a bold new vision of Odin, Thor, and the Majestic Valkyries. Officially licensed and authorized, this figure offers a gorgeous head sculpt atop a Phicen female seamless body with stainless steel armature and 3 pairs of interchangeable hands. The costume includes an armor chest guard, battle shorts, decorative belt, a pair of faux leather wrist guards, a pair of forearm sleeves, 2 arm bands, 2 knee guards, a thigh band with chains, a pair of boots with upper boot guards & trim and a hooded cape. Accessories include necklace, battle sword, dagger with sheath, battle axe, and display base and stand. Packaged in a four-color box. FINAL FANTASY

FEATURED ITEM

FINAL FANTASY XIII: LIGHTNING STATIC ARTS BUST

From Square Enix. From the *Final Fantasy XIII* saga, protagonist *Lightning*'s intense personality has been captured in this gorgeously sculpted bust statuette. Sculptors have recreated a dynamic moment of action as Lightning prepares to swing her sword down. Though she is frozen, one can almost feel the momentum behind her movement through the wind in her hair, jacket and cape. With her eyes focused intently on her target, her expression exudes the bravery and confidence characteristic of Lightning. From the texture of her garment and accessories to the smoothness of her skin, the paintwork is reminiscent of the luminous art style of *Final Fantasy XIII*. Modeled after a crystal, an iconic element within the universe of the game, the base of the statue completes this small masterpiece. BIOSHOCK: DIG DADDY AND ROSIE STATUE

From Gaming Heads. Always seen with its Little Sister, the Rosie is one of five Big Daddies from *BioShock*. They are built to protect Little Sisters while they are collecting ADAM. The strong bond between a Rosie and its Little Sister makes the Rosie highly aggressive. Attacking a Little Sister will definitely trigger the wrath of her Big Daddy protector. Standing in front of a Little Sister, *Rosie* is depicted in 1/4 scale and stands about 21" tall. Shielding the Little Sister from any attack, Rosie is shown in its basic heavy diving suit and holding its signature rivet gun. Each statue has been cast in polystone resin so that it shows the finest of details and is hand-painted. Each statue comes in deluxe full-color packaging, has a hand-numbered base and a certificate of authenticity. Limited to 1000 pieces worldwide only. (STL012246) **Item has been previously solicited in *PREVIEWS Plus*.** Scheduled to ship in January 2017. BLACK LIBRARY

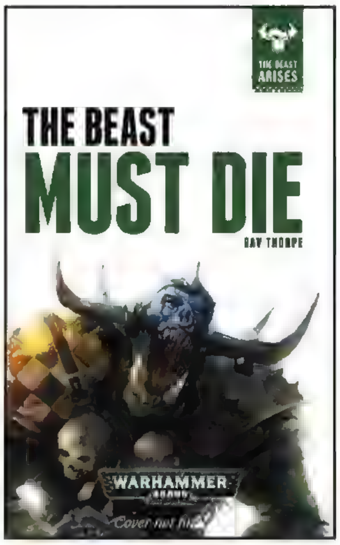
WARHAMMER: CONDEMNED BY FIRE GN

(W) Dan Abnett, Ian Edginton
Witch Hunter Magnus Gault seeks to defeat the forces of Chaos that have transformed innocent townspeople into monstrous agents of death and destruction. Tireless foes of Chaos in the Old World, Witch Hunters roam the Empire seeking to stop the spread of dark magic and witchery of all kinds. When Witch Hunter Magnus Gault hears that the village of Loughville has fallen prey to the canker of Chaos, he is driven to investigate. Once there, he finds the villagers wretched and mutated, transformed into agents of death and destruction eager to prey upon any lost soul who should come their way. Joined by Greatsword Franz Vogel and the dwarf warrior Vargni, Gault must take Sigmar's light to the source of the corruption. (STL013237) (C: 0-1-2)
SC, 7x10, 128pgs, B&W............$14.99

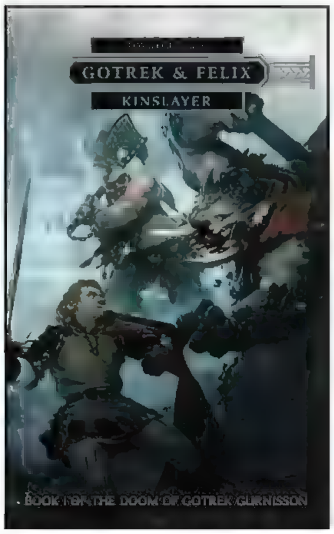
WARHAMMER: FORGE OF WAR GN

(W) Dan Abnett, Ian Edginton
The forces of Chaos are descending upon the Empire from the north. Greatsword Sergeant Franz Vogel must find a way to stop them or die in the attempt. From the wind-scoured North they've come: the hordes of Chaos, ruthless warriors raised in battle and fanatically devoted to their dark gods. On a hundred-mile front across the northern fringes of the Empire, the defences of man are crumbling and fear threatens to become panic. Greatsword Sergeant Franz Vogel must unite his disparate alliance of men, mages and dwarfs to take the battle to the forces of Chaos that routed them. However, first they must survive the deadly secrets lurking within the primordial forest to which they have fled. Will Vogel and his band find deliverance or eternal damnation? (STL013238) (C: 0-1-2)
SC, 7x10, 112pgs, B&W............$14.99



WARHAMMER 40K: THE BEAST MUST DIE SC

(W) Gav Thorpe
The imperium has been brought to the edge of extinction by an ork invasion of unprecedented scale and depth. Piecemeal strikes against the invaders prove totally ineffective — for every ork fleet destroyed, five more appear. The only solution is to find and kill the orks' warlord, the Great Beast. Surely if its leader is killed, the greenskins' empire will fall apart in an agony of in-fighting and confusion. Koorland assembles a mighty army, but when they arrive on the orks' home world, the forces for the Imperium discover they have disastrously underestimated the might and integrity of their enemy. (STL013239) (C: 0-1-2)
SC, 6x9, 240pgs, B&W..............$17.50

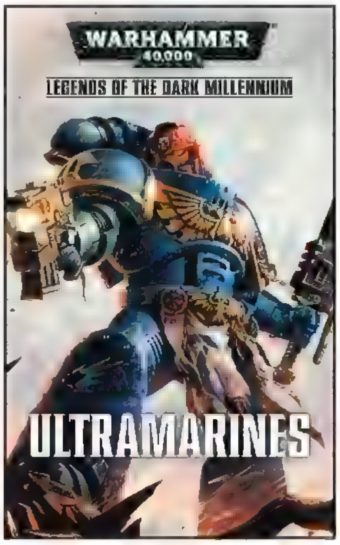


WARHAMMER: KINSLAYER SC

(W) Various
The beginning of the end in the story of *Warhammer's* most popular heroes. Once companions on the greatest of adventures, Gotrek and Felix have long since gone their separate ways. Felix, married and settled, secretly craves the excitement of his youth. And when the opportunity arises, Felix embarks upon what might be his final journey. As the chaos of the End Times engulfs Kislev, Gotrek and Felix are reunited, battling the hordes of the Troll King alongside Ulrika, Snorri and Max. But when long-hidden secrets are revealed, these old friends will be torn apart, and not all of them will leave Kislev alive. (STL013241) (C: 0-1-2)
SC, 6x9, 416pgs, B&W..............$16.00

WARHAMMER 40K: THE CHAPTER'S DUE SC

(W) Graham McNeill
Having defeated the forces of the tau on the planet of Pavonis, Captain Uriel Ventris returns to Macragge. But war is unending in the life of a Space Marine, and Ventris finds himself thrust back into battle against the nemesis of the Ultramarines — the Iron Warriors, led by renegade Warsmith Honsou. Will Ventris be able to overcome his greatest test to emerge victorious, or will the Ultramarines suffer a disastrous defeat from which they might not recover? (STL013240) (C: 0-1-2)
SC, 6x9, 416pgs, B&W..............$16.00



WARHAMMER 40K: ULTRAMARINES SC

(W) Various
Anthology of stories featuring the Ultramarines, the noble paradigm of a Space Marine Chapter. No Space Marine Chapter can claim so long and glorious a history as the Ultramarines. As one of the original twenty Legiones Astartes they fought many wars under the command of their primarch Roboute Guilliman, and after the dark years of the Horus Heresy it was his wisdom that broke the remaining Legions into smaller Chapters, all the better to safeguard the Imperium from its many foes. Across ten thousand years of unceasing conflict, the Ultramarines have waged war against xenos and traitors of every kind, and their deeds have become legend across the Imperium. (STL013242) (C: 0-1-2)
SC, 6x9, 368pgs, B&W..............$16.00

WAR WITHOUT END
Heresy begets retribution

WARHAMMER 40K: WAR WITHOUT END SC
(W) Various
A massive collection of stories by some of Black Library's most popular authors. The Emperor's vision of mankind ascendant lies in tatters. But with Horus's rebellion spreading to every corner of the Imperium and war engulfing new worlds and systems almost daily, there are some who now ask: were the signs there to be seen all along? In these dark times, only one thing is certain — the galaxy will never know peace again, not in this lifetime or a thousand others. This *Horus Heresy* anthology contains twenty-one short stories by the cream of Black Library's authors, including David Annandale, Aaron Dembski-Bowden, John French, Guy Haley, Nick Kyme, Graham McNeill, Rob Sanders, Andy Smillie, James Swallow, Gav Thorpe, and Chris Wraight. (STL013245) (C: 0-1-2)

ATTACK ON TITAN DECK BUILDING GAME
The last human city is under attack by giant, fearsome Titans and it's up to your team to stop them! Based on the action from the world-renowned *Attack on Titan* anime and manga series, you and your fellow players will battle relentless Titans for humanity's very survival in this cooperative deck-building game. Collect the weapons and tactics you need, then test your mettle on the wall before it's too late. Play as Eren, Mikasa, Armin and many others as you struggle to keep the Titans at bay. New to this Cerberus Engine game is movement. The location of your Hero in the game area matters. Protect the walls or watch them crumble. But do not lose hope, no matter the odds and no matter who among you falls to the onslaught. It may soon be up to you to land the killing blow that will turn the tide of battle! PATHFINDER ADVENTURE PATH: STRANGE AEONS PART 1: IN SEARCH OF SANITY
The adventurers awaken within the walls of the eerie Briarstone Asylum, their minds wracked and memories missing. As they work together to recover their missing time, they soon learn that the cause of their eerie amnesia is but a symptom of a much greater cosmic menace. As they struggle to retain their sanity, the heroes must ally with other asylum residents and fight against the monstrosities that have taken over the asylum and plunged it into nightmare. Can the adventurers defeat the terror that stalks the halls and free themselves from their prison of madness? *In Search of Sanity* is a *Pathfinder Roleplaying Game* adventure for 1st-level characters. The adventure kicks off the *Strange Aeons Adventure Path*, a twisted delve into madness that pits the heroes against the cosmic horrors of the Cthulhu Mythos. Several new monsters, details on the Mythos, and the first installment of a new Pathfinder's Journal round out this volume. (STL009266) (C: 0-1-2)

PATHFINDER CAMPAIGN SETTING: PLANES OF POWER
The elemental forces of air, earth, fire, and water are among the most powerful in the multiverse, forming the basis of the material world and giving spellcasters and creatures capable of wielding them immeasurable influence. Now players and Game Masters can harness these powers for themselves by exploring the elemental planes — entire realms of existence dedicated to the four elements — in *Pathfinder Campaign Setting: Planes of Power*. Each of the four elemental planes is fully detailed like never before, with advice on adventuring in their harsh environs, new spells and character options, location gazetteers, and a thorough examination of a major settlement that offers a welcoming landing site for travelers from other planes. PATHFINDER COMPANION: HAUNTED HEROES HANDBOOK
Death is not the end! In a world filled with undead, resurrection, and beings from beyond the mortal plane, long-dead mistakes can still cause problems for the living — or provide opportunity. *Pathfinder Player Companion: Haunted Heroes Handbook* takes aim at possessing forces of all sorts, from worldly magic to spirits of the dead, and provides you with options to rid yourself of that influence, take back control, or profit by cunning bargains with forces in need of a mortal vessel. This handbook also provides valuable information on the places, organizations, and faiths especially concerned with spirits, hauntings, and possession, and how any of these can affect your outlook and abilities. THE LEGEND CONTINUES!

Nintendo's *The Legend of Zelda* began as one of the first true "hit" game releases for the 8-bit NES/ Nintendo Entertainment System in 1986. Since then, the series has expanded to include 18 entries on all of Nintendo's major game consoles, as well as a number of spin-offs. As of 2011, the series has sold over 62 million copies worldwide… and probably more since. With a new *Legend of Zelda* game coming in 2017 for both the Wii U and new NX console, the series is more popular than ever.

With plenty of Zelda and Link coming soon to video games, VIZ Media Senior Editorial Director, Beth Kawasaki, wants to make certain that fans are getting what they want… and that translates to rare material made available once again by VIZ!

PREVIEWS: *How did you get involved with this project?*

Beth Kawasaki: My job at VIZ involves acquiring new content, including Japanese manga that can be localized into English. VIZ had published the English-language version of a 10-volume *The Legend of Zelda* manga series by Akira Himekawa in 2009-2010. The books are still consistent sellers so when we were brainstorming ideas for more *Zelda* content a few years ago, we started researching *The Legend of Zelda: A Link to the Past*, which originally was serialized in *Nintendo Power* magazine in the early '90s and then collected into a graphic novel in 1993. It was never reprinted and fans had been clamoring for the book for years.

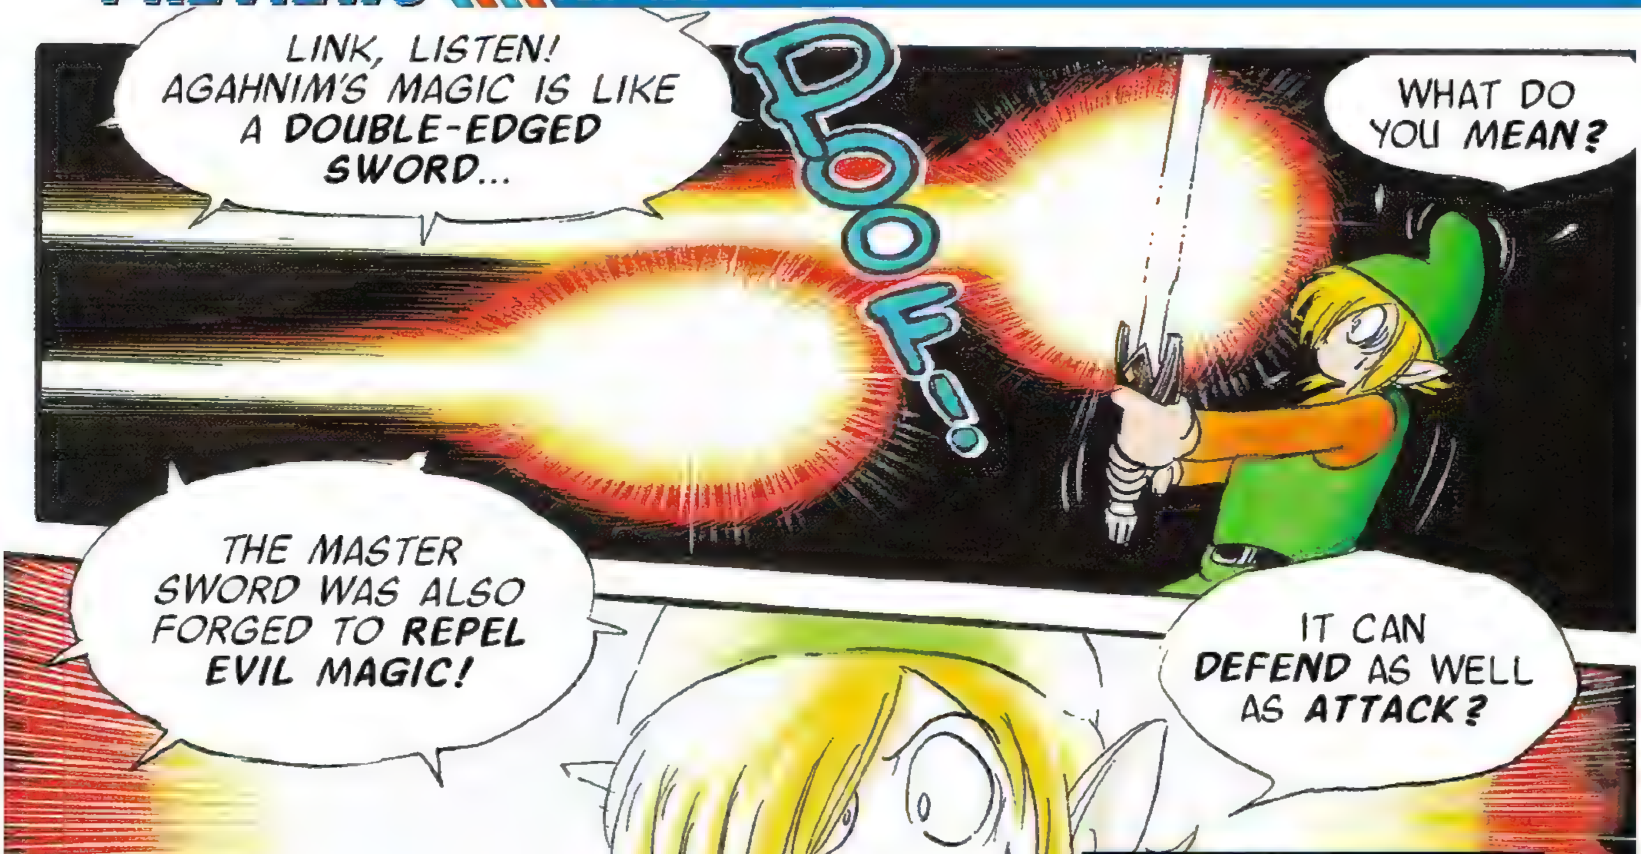
From there, it was several rounds of conversations with the rights holders, including Nintendo, one of our parent companies, Shogakukan, and the estate of artist Shotaro Ishinomori.

P: *How closely do you work with the video game developers and publishers when working on the adaptations?*

BK: It varies with each publisher and manga creator. In this case, even though the work was originally produced in English, we had a fair amount of back and forth with Nintendo and the Japanese publisher, especially about the cover and the overall design. Everyone really wanted to get it right and stay true to Ishinomori's aesthetic.

P: ***A Link to the Past*** *came out on the Super Nintendo more than 20 years before the book was released, meaning a large chunk of your audience may have never even played through the story before. Why was it important for Viz to release the manga adaptation after all this time?*

BK: First and foremost, we're fans of *Zelda*. And we have a huge audience for the manga that we've already published. Readers and retailers are always asking for more. *Zelda* is stronger now that it's ever been and it is not slowing down. If you played the *A Link to the Past* game 20 years ago, you probably have very fond memories of it, maybe even read the comic chapters when they originally ran in *Nintendo Power*, and will definitely love this book. If you didn't play that specific game arc but are a *Zelda* fan, you'll love this book too because it captures the classic storytelling essence of the games with familiar characters, but Ishinomori also put his own unique stamp on it with his art style and pacing.



LINK, LISTEN! AGAHNIM'S MAGIC IS LIKE A DOUBLE-EDGED SWORD...
POOF!
WHAT DO YOU MEAN?
THE MASTER SWORD WAS ALSO FORGED TO REPEL EVIL MAGIC!
IT CAN DEFEND AS WELL AS ATTACK?

P: *This was the only* ***Zelda****-related work that Shotaro Ishinomori ever worked on, with most of the other game-based manga having been done by Akira Himekawa. What did Ishinomori bring to the world of* ***Zelda*** *that made this work stand out among the rest?*

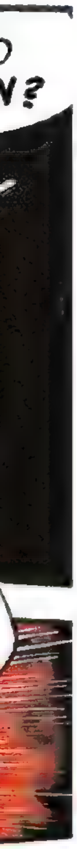
BK: Ishinomori was a prolific manga creator, most well-known for *Cyborg 009*, and was a co-founder of an animation production company in Japan. He also was famous for creating franchise TV series such as *Kamen Rider* and *Kikaider*. If you don't know either of those series, you probably know *Power* Rangers, which was heavily inspired by those shows. In other words, Ishinomori was always creating some form of entertainment.

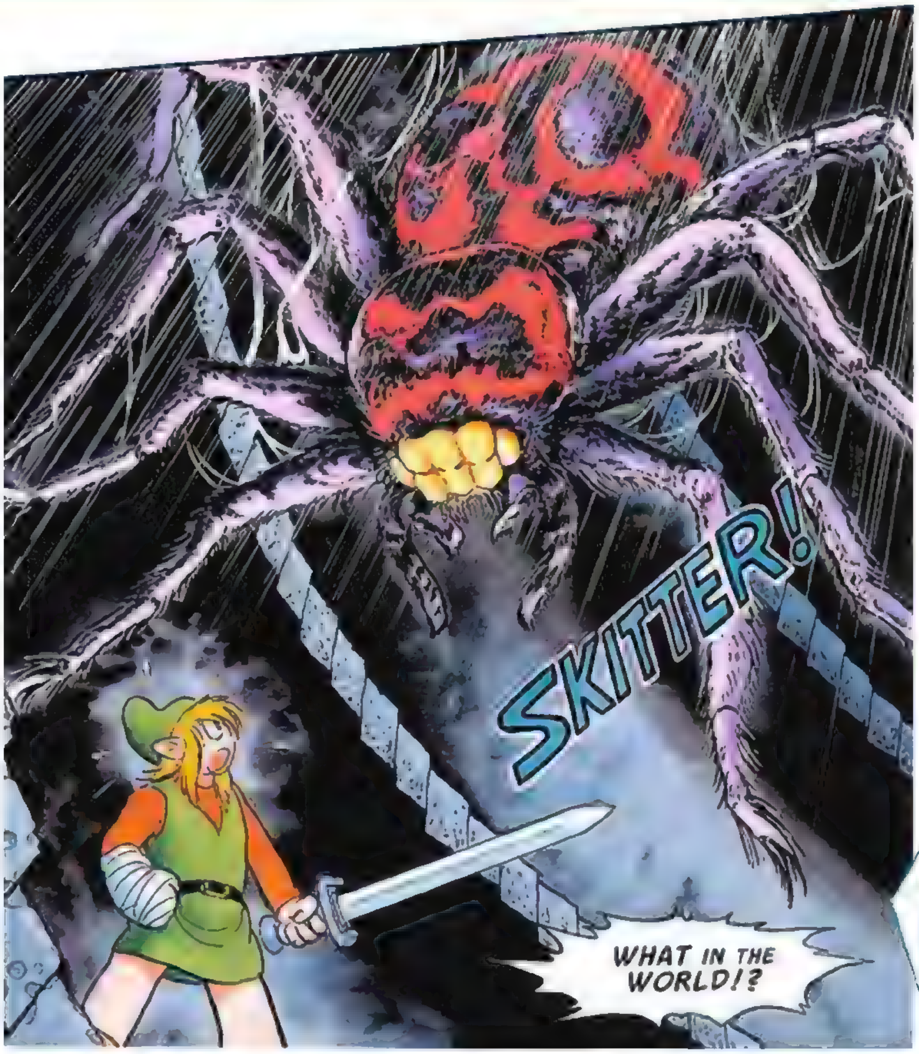
Ishinomori followed the *A Link to the Past* game themes of good-versus-evil adventure, but expanded upon that world, especially with *Link*. Ishinomori has a gift for capturing action and humor and really brought Link's personality to life as you see him transform from a common villager to a hero, mistakes, misunderstandings and all.

Osamu Tezuka, best known for *Astro Boy*, was a mentor to Ishinomori early on in his career and his influence can definitely be seen in the pages of *A Link to the Past*. Ishinomori's story builds anticipation with measured panel pacing and accentuates major scenes with splash pages.

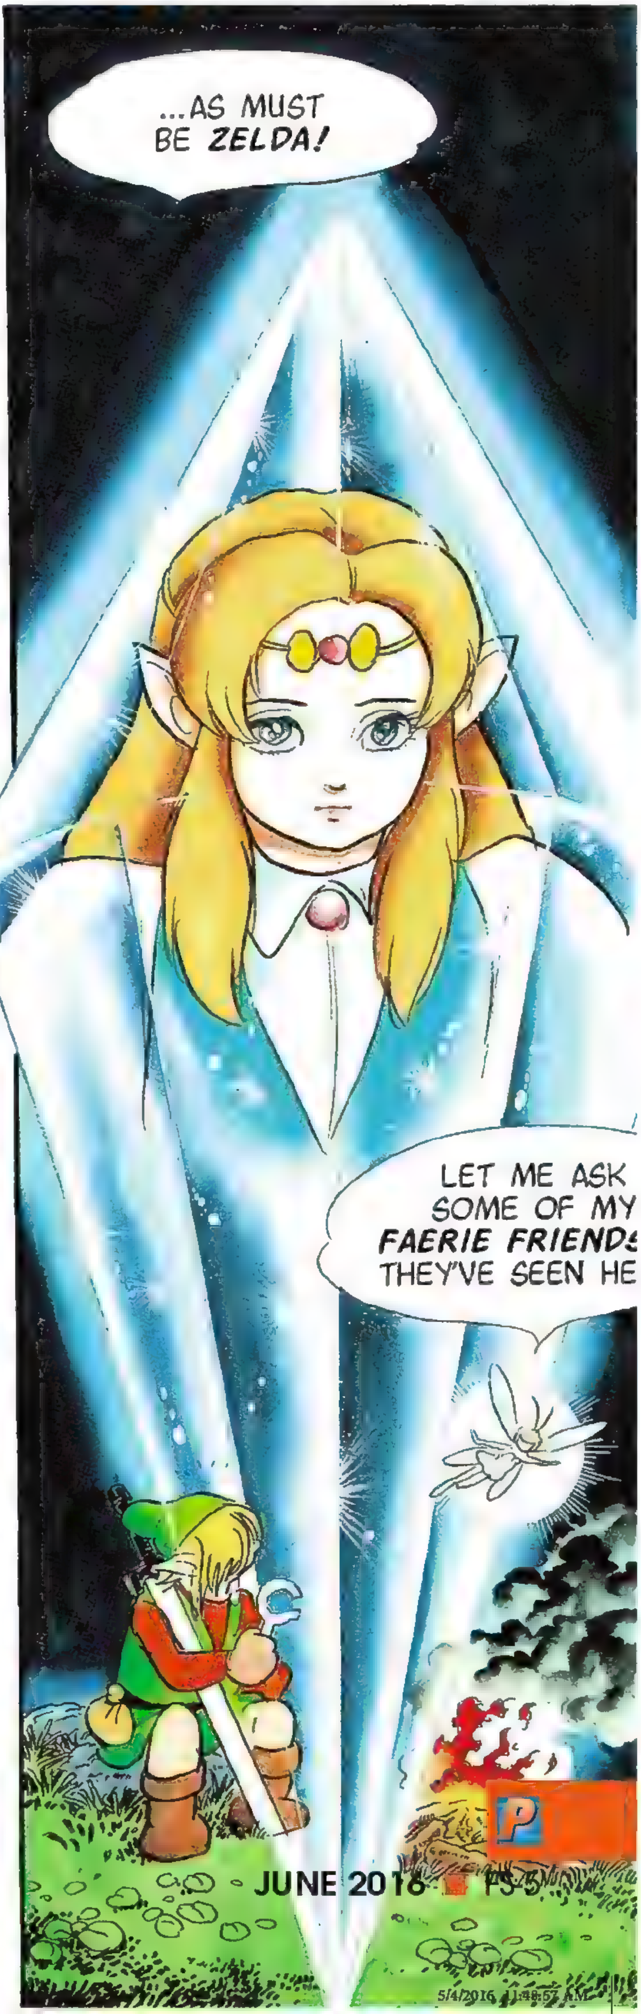
P: *Why did you opt for a larger page size on this book, especially compared to most of the other Viz publications?*

BK: The original edition was done at the same size, and we really wanted to make sure that Ishinomori's art was showcased at that size so all the art nuances would be captured. Also, we really wanted this book to physically stand out to fans of all ages so they would instantly see the big *Zelda* logo and pick it up.





SKITTER!
WHAT IN THE WORLD!?



...AS MUST BE ZELDA!
LET ME ASK SOME OF MY FAERIE FRIEND THEY'VE SEEN HE

P: *Why do you think **Zelda** translates as a successful property for both print and video entertainment?*

BK: It's addictive storytelling, mixing adventure with a reluctant hero's quest to overcome his fears and discover his strength.

P: *Are there any Japanese comic series based on video games that you would love to bring to American audiences?*

BK: *Monster Hunter* was recently adapted and we're releasing that series. There's a new Capcom game so I think it will get lots of interest. *Splatoon* is a very fun game and a manga series just started in Japan. I'm interested to see how that story develops.

P: *Can we expect more **Link/ Zelda** projects from VIZ in the future?*

BK: Yes, we are working on it! The original Akira Himekawa 10-volume series is going to come out as five deluxe editions, called *The Legend of Zelda: Legendary Edition*. Each book will contain two of the original volumes, be printed on upgraded paper stock at a larger 5 ¾ x 8 ¼ size, and will include an original color art piece plus 16 color pages. We're so excited that Himekawa was able to contribute new color art for these editions! Volume 1 will release in November, and subsequent volumes will come out bimonthly.

RACHEL RISING OMNIBUS HARDCOVER

Recommended by Steven

It's no secret I've been a fan of Terry Moore going back to the debut of *Strangers in Paradise*. Terry has proven to be adept at making the characters and situations in his stories relatable, from self-awareness and being yourself in *Strangers in Paradise* to rising to the occasion in science-fiction in *Echo* to the supernatural world in *Rachel Rising*. In all of these stories the situations and characters become believable and make for compelling reading.

Almost five years after Abstract Studios introduced us to *Rachel Rising* and its new cast of characters, it's now all wrapped up in a nice a pretty hardcover package.

In this hardcover omnibus edition we see the complete story of Rachel's rise from the grave to track down her own murderer. With the help of a 10-year old serial killer carrying the remains of Satan's sword and a sister who is literally the first woman to ever exist, Rachel uncovers the wicked secrets of small town Manson and its terrible role in earth's final days. Will Rachel learn from her past in time to save the future?

Terry Moore has proven himself to us over the years writing romance, crime, science fiction, supreme super heroics, and runaway mutant teen angst, showing us how suspense and horror should be done. The *Rachel Rising Omnibus* edition from Abstract Studio makes a fine addition on your bookshelves right next to the *Strangers in Paradise* slipcased edition and the *Complete Echo* omnibus.

DARK TALES FROM THE VOKESVERSE

Neil Vokes has been illustrating horror comics for more than thirty years and was a key player in the underground, black and white comics scene in the 80s. Teaming Vokes' experience as an artist with a group of veteran writers including Robert Tinnell, Todd Livingston, Jack Herman, James Kuhoric, James R. Tuck, and more, *Dark Tales from the Vokesverse #1* will serve as a primer to a shared universe of new horror titles published by American Mythology.

This first issue is a declaration of intent from a publisher that is making retro horror comics new again.

TERMINARCH

Recommended by Trevor

TERMINARCH
JORDAN HART
TERRY HUDDLESTON

The cool thing about Jordan Hart's sci-fi dystopia *Terminarch* is its ability to take iconic tropes and turn them on their head. Combining elements of a robot uprising in the spirit of *The Terminator* with the androids reminiscent of the Replicants in *Blade Runner*, the framework of the story seems like familiar territory. But the familiarity stops there. Typically, a machine-led extermination of humanity is the result of some computer determining the human race is too chaotic to survive, but these machines actually revere humanity. Humans can do one thing the androids can't – create art. In an effort to preserve the world for artists, to effectively put them on a pedestal, all non-artists are eradicated.

Of course, no robot apocalypse is complete without a John Connor, and *Terminarch* gives us ours in the form of Martin Allerton, a hermit who has no idea the world has changed until he is pulled into the fight. Through his experience, we learn that artists were given a god-like celebrity in the new society, with the androids believing they had created a utopia for their idols. Where some of the surviving humans embraced their role in the new world, many others took their own lives in grief, and a few started a revolution. Brought in to unite the various rebel factions, Allerton finds the epicenter of what makes this story so provocative – the artists who would historically be seen protesting a war have now been called upon to lead one.

Flipping another familiar idea on its head, the artists in *Terminarch* will have to "make war, not love."

FREDRIC BROWN'S MARTIANS, GO HOME

Recommended by Matthew

MARTIANS, GO HOME
POWELL • ISAAC • HOPKINS

While reading through *Fredric Martian's Martians, Go Home* I was reminded of the episode "Who Watches the Watchers" from *Star Trek: The Next Generation*. In this episode a group of scientists are observing a Bronze Age alien race called the Mintakans from a hidden outpost on their planet. The outpost is compromised and the lesser developed civilization is immediately confronted with 24th-century technology. These people who lived in huts and hunt with bows are immediately face to face with a different species that can instantly transport from one place to another. To them, the crew of the *Enterprise* appeared as gods.

Luckily for the Mintakans the crew of the *Enterprise* had their best intentions at heart. Unfortunately for the people of Earth in *Fredric Brown's Martians, Go Home*, the shoe is on the other foot. This time the aliens are coming to a lesser developed planet with a different set of intentions. In *Independence Day*, a more advanced civilization came to steal our resources. In *Predator*, they came to hunt us. In this book, the Martians come to earth to troll us and all our "disgusting habits".

Martians have evolved beyond us. They have better technology, a more advanced civilization. They appear as gods of chaos. Their only vice seems to be that they love to play practical jokes on us unsuspecting normal humans.

Be sure to pick up *Fredric Brown's Martins, Go Home* this August and see how long it takes for civilization as we know it to crash and burn.
